

Art: Beginning 1-2

Grade Levels: 9th - 12th

Prerequisites: N/A

Course Numbers: 11801, 11802

Credit Type: Fine Art or Elective

Course Description:

Beginning Art class 1-2 explores the Elements and Principles of Art and Design which is the foundation for visual design. Students will use a variety of media including paint, art pencils, charcoal, oil pastels, ink, scratchboard, and cut paper. Art History will be included in the curriculum. Students are required to successfully complete the course in order to continue the sequence of visual art courses. This is a studio class - all students will participate in research, writing, idea generation, and participating in group critiques and reflecting on their own work.

Student Workload:

Classwork will be completed in the studio while unfinished projects will be completed as homework, tutorial and outside of class time.
