Other info: _____

- **Call Info:**

TIME OF CALL: _____

HANDLE OF CALLER: _____

CALLER LOCATION: _____

- Lost Child search:

- Have reporting Ranger stay with parent/guardian that reported lost child
- Repeat info to all Rangers and All Comm -across all channels
- Assign specific Rangers to look for child in specific locations
- Ask other Safety Team members to look, if needed and available.
- Notify board on call

- When lost child is found:

- Notify All Comm child found– across all channels
- Call gate to reopen
- Arrange parent / child meet up with Ranger assistance
- Log all info
