Re: Component change from Mars to Pyramid Dollar Bill Acceptors

To Our Valued Customers and Distributors,

Raw Thrills is committed to continually improving the quality of our products. Please be advised we will now be using the Pyramid Series Dollar Bill Acceptors in the Safari Standard games. After testing these Pyramid units in the field our engineering staff is confident these units will maintain the high quality and integrity of the Safari product. This new bill acceptor will add new bill acceptance capability as the Pyramid unit accepts \$1, \$5, \$10 and \$20 currencies.

We thank you for your continued support of our products.
