

Academics

- What's your favorite class and why?
- Is the atmosphere competitive or collaborative in classes?
- Are most classes small or large?
- Are classes taught by mostly professors or Teaching Assistants?
- Tell me about your relationship with a professor. Is it easy to get to know professors?
- How are the on-campus resources for academic support/tutoring?
- How has your academic experience changed as a result of the pandemic?
- How is the in-person or virtual set-up going for you?
- When do you have to declare your major?
- Can you take classes that don't relate to your major?
- Is double-majoring possible?
- Has anyone studied abroad? What was your experience like?
- Does your school have tutoring and academic support available?
- Did they do anything specific to support your academic transition as a new freshman?

Application Experience

- How did you ultimately decide to attend your school?
- What did your profile look like in high school?
- Why did you personally choose to apply to this college?
- Thinking back to senior year of high school, what are you glad you did? What would you do differently?
- Do you remember what you wrote your essay about?
- Was there an interview process? Was it hard?

Housing

- Which dorm / living arrangement are you in, and which is the best?
- Are freshman dorms close to campus?

Dining

- Are the food and dining options good?
- Do you feel like you have options on campus or in town?

Campus

- How do you like the city/town where campus is?

- Where's your favorite place to study and why?
- How are the student gym and athletic facilities?
- What types of transportation do you use around campus?
- Can you have a car? Do you need a car?

Social Life

- What do you do on a typical weekend (when there's not a pandemic)?
- What's the social life like on campus?
- How important is greek life to the social scene?
- Does the campus value diversity and inclusion?
- Are there any yearly school events that bring the community together?

Life/General

- What type of student wouldn't do well at your school?
- With your course load, do you find time for personal stuff or hobbies at all?
- What was the biggest shock you had when you got on campus? What was easier than you thought?
- What's an assumption you held about your college going into your freshman year that got changed once you actually attended it?
- What's a tradition on campus that's not on a brochure or marketing video?
- How are the on-campus resources for emotional, or mental health support?

Safety

- How safe do you feel on campus?
- How has your school handled communications around COVID?

Extracurriculars

- Are there a diverse selection of activities to get involved in outside of class?
- Do any of you do work study programs or have a campus job?
- Are there any intramural or club sports to participate in?
- What are the most popular sports teams?
- Do people go to football games?
- What are tailgates like?
