

Talawanda City School District Request for Proposals

Uninterruptible Power Supply Batteries E-Rate 470 - Funding Year 2015

Talawanda City School District is seeking bids for the following Category 2 Eligible Services under the E-Rate Program: Network Switches and Accessories for VoIP.

Requirements

- 5 Liebert GXT 2000MT UPS Battery Kit or equivalent, new in box
- No cabling, installation, configuration or other ancillary services. This is a hardware purchase only.
- E-Rate Category 2 Eligible Services only
- Questions should be submitted via email and will be posted publically, with the service provider's company name, at talawanda.org/it/e-rate/2015
- The District will only purchase these items at its sole discretion after this funding request is approved in writing on a USAC FCDL.
