CLASS BIRTHDAYS

Now that the school year is in full swing, we know there are birthdays coming up. Here are our Kindergarten guidelines:

- We love small treats that can be eaten quickly in just a few bites without any utensils or a mess. Mini-cupcakes, brownies, and cookies are all favorites. Savory options like chicken nuggets are also a great option, too!
- No juice or ice cream will be served in the classroom.
- We do not pass out goodie bags at school.

<u>Classroom Allergies</u> - Please do not send any items with these ingredients to your child's homeroom class. Please contact your child's teacher with any questions about these restrictions.

- Mrs. Wilhoit- shellfish
- Ms. Arita- none
- <mark>- Mrs. Wilhe</mark>lm- none
- Ms. Stokes- fish, red 40 food dye
- Ms. Mersereau-shellfish, nuts, & pineapple

From the School Handbook:

"Birthday Celebrations at School

Grammar School parents may send or bring store-bought treats for their children's birthdays. Birthday treats will be shared at the end of the school day. Parents must notify their child's teacher and obtain approval a week prior to the birthday celebration. For families with children that have summer birthdays, please check with teachers for a designated day to celebrate.

No invitations to parties may be given out in a class unless all students are invited, or all girls or all boys are invited.

Treats should be sent in single-sized portions that do not require the teacher to divide and serve; for example, a cake requires cutting and serving, not to mention a knife to cut, plates and forks to serve. Cupcakes and a napkin are easier to serve. If a parent wishes to serve a large birthday cookie, it must be cut before it is sent to class. Parents should make sure to provide napkins and any other utensils that may be required.

Lunch may not be provided for birthday celebrations for the class.

Gift bags/goodie bags or party favors are not allowed at school. Parents should not send any items to be distributed to students with the exception of the approved treats meeting guidelines above."
