

Kae's Terms of Service

Hello all, I'm Kae Eff. I am a writer, proofreader, and editor with nearly two decades of experience working on my own projects and those of my friends and partners. One of the things that brings me the most satisfaction and joy is helping others refine their work so that it can be everything they want it to be. If you want someone to review your work who will give it the care and attention to detail that it deserves, while providing in-depth feedback, I'm your woman.

Pricing

Standard pricing is \$0.02 per word, plus a base fee dependent on the length of the piece:

- 1-15 Pages: \$12.50
- 16-50 Pages: \$25.00
- 51+ Pages: \$40.00

Special pricing is reserved for projects that do not fit the outline above (at my discretion), and for repeat clients.

Payment is due once I've completed my work. Once payment is received, I will return the proofread and edited copy to you.

These lists are not necessarily comprehensive, so if there's anything specific that I have not listed that you have questions on, email or DM me and I'll be happy to clarify.

What Clients Can Expect From Me

- I will not share the stories or scripts you give me access to for the purposes of proofreading/editing with anyone else without your explicit permission. I will also not discuss the project without permission until such a time that it is made public.
- I will read your work multiple times: An initial read-through to see the overall structure, then at least 2-3 more times as I make edits and recommendations to strengthen the project. Depending on the program the work is in (Google Docs, Word, ODT, etc.), I will leave comments in relation to any significant alterations I recommend, detailed notes and feedback in the document. I normally provide both a “clean” edited copy without the notes and one with; if you do not want me to do so, let me know.
- Once I’ve started reviewing a project I will do everything in my power to be prompt - but thorough - in my proofreading and edits and in returning the piece to you. I will contact you once every 24 hours to update you on the timeline, or to return the project with you. This is so I can keep set deadlines.
- I have the right to decline to work on any project. If I accept a project but then I find that I am not comfortable with reading your work, I will stop reading the piece and make you aware of the situation. There will be no charge for incomplete work.

What I Expect From Clients

- Please advise if there is a deadline you need your proofread and edited work to be returned to you. Rush jobs may incur additional fees.
- If there are any particular concerns or areas of your work that you want me to focus on, please advise me on this in advance. I am happy to throw myself at your work and do generalized edits for grammar, spelling, and phrasing - but I can be far more effective if given specific matters you want me to address.
- If this is going to be a public or for-profit project, please provide the appropriate credit for my proofreading/editorial work.
- I am a fairly patient and easygoing person, and I do my best to treat everyone with respect and consideration. That being said, I reserve the right to cease proofreading, delete any edits and feedback I have already made, and blacklist those who:
 - Cause me undue stress.
 - Behave in a rude and/or abusive manner.
 - Pressure me to break or change my terms of service.
 - Choose not to pay me my fees upon completion of work.

This is not an exhaustive list and is subject to update at any time, without notice.
