

Dear Parent(s)/Guardian(s),

You are receiving this letter because soon we will be visiting with your 7th grade student to schedule for 8th grade at Carver Middle School! Your student will be scheduling online through a Google Form to rank/select elective classes (listed below).

****Students who want to take a year-long performance class will be required to have a parent/guardian sign a Class Commitment Permission Slip. This is to ensure that students understand they will remain in the performance class the entire year. Please return the form to your child's teacher.**

To help prepare you and your student for scheduling we have listed the required core classes your student will take, as well as the elective classes available. *Please note that we try our best to ensure every child gets their first choice on electives; however, their second choice will be based upon class availability. In addition, students may be enrolled in an intervention Math Lab in place of an elective based on earning a grade of a D or F and/or results on iReady testing.*

Required Core Classes:

- Language Arts
- Science
- Reading
- Social Studies
- Mathematics
- Physical Education
- Health
- Outdoor Awareness

Elective Classes: Your student will choose their top two classes from the following list -
