

# Peaster Junior High

## Art II

### Supply List 2023-24

- A lab fee of \$5.00 (covers the cost of items cheaper if ordered in bulk)
- A plastic shoe box size container (with latches) to keep supplies in (lids that don't latch come off too easily and supplies will spill out).

- 
- 9x12 watercolor paper (30+pages)
- Acrylic paints (8oz. +) Red, Yellow, Blue, Black, White [ **NO** Art Time brand please]
- Crayola colored pencils (24+) [ no erasable ones please]
- Crayola markers (8+) thick and thin
- Pink erasers or white artist erasers (pack of 3 or more)
- Pencils (#2) (10)
- Scissors (7" student size)
- Ruler (not the flex (bendable) ones)
- 2 glue sticks
- 2-3 bottles of Elmer's liquid white glue
- 1 hand sharpener (with container attached to catch shavings)
- 1 package of fine tip black sharpie markers (2)
- 1 package of **very fine tip** black sharpie markers (2)
- 1 package of 8 colored sharpie fine tip markers (brown, purple, red, orange, yellow, green, blue, and black)

I may be asking for "recyclable" items from time to time [i.e.: clean plastic water bottles, wire coat hangers, old magazines, tin cans, etc.]

Crayola brand is the best for the price. NO Art Time brand please.
