

Welcome to our Busy Bee hive!

Thank you for coming to Open House! I am so excited to start our year together in first grade! Place a check mark in front when you finish your task! Have fun!

Find your desk and locker.

All Parents: Please check the blue Student Information Sheet at your child's desk, add or make corrections in RED ink, sign the back, and give it to Mrs. Colwell to check over.

All Parents: Put the Student Information Card you brought from home in the yellow basket on the front table.

Unpack your supplies. Dump your crayons and markers into your art box. Scissors and eraser(s) can go in your art box, too. You can put your glue in the correct glue tub on the front table.

Find Mrs. Colwell and she will take your picture with a really cool sign!

Take your grown-up to the front whiteboard to sign up for volunteering!

Check out our class website when you get home:

Thank you for coming to Open House!
See you on Monday!
