LLELA Address: 201 E. Jones St., Lewisville, 75057

The entrance to the LLELA Nature Preserve is at the intersection of E. Jones St. and N. Kealy Ave. in Lewisville. Stop at the gate house and let the attendant know you are attending the field trip that day and they will waive the usual \$5/car fee.

Take the first right onto the dirt road and park in the designated area (see the diagram below). Meet at the picnic tables between the parking lot and the visitor center.

You will hear from a LLELA representative about the property and the types of volunteer opportunities they have available, followed by a tour of the greenhouse. We'll then walk the Blackjack trail and experience a little of the Cross Timbers ecosystem that touches the west side of the property.
