

2022 WITL BAR CRAWL

To be Posted Announcement:

Greeting, Travance! It's time for all the bars and their tenders to put on their best show of hospitality for the annual Travancian Bar Crawl. The bar crawl will begin at the beach by the lake and end at the Dragon's Claw Inn at 8 pm. To kick off the crawl we will need a bar to be set up by the lake. That is because the lake is the final resting place Dan Dan the Drunk man, who we will be summoning to be the lead you on this journey. To summon him, we will need to set the best party atmosphere with good food, better drinks, and a whole 'lot of rabble rousing. (All components for the ritual will be provided; just bring your best partying spirit).

As we go bar to bar, we will have judges accompany those taking part in the crawl who will assess each bar based on their hospitality, drinks, and snacks. The best bar overall will win a secret recipe from beyond the grave. Runner ups will win prizes in the form of a stockpile of goods or currency of their choosing.

Rules for Bar Crawlers:

- To be a participant in the crawl, you must bring your own drinking vessel. We do not encourage the sharing of drinks.
- Each bar crawler will be issued a water bottle to ensure proper hydration
- This is an event to be enjoyed so do not drink to get absolutely wasted. If we think you have had too much and a moderator tells you had enough do not argue it.
- We ask that before the bar crawl that participants eat a proper meal beforehand.

Rules for Bars

1. Please create a drink that will be thematically appropriate to be offered to the crawl
2. We will judge with the following criteria:
 - a. Best name
 - b. Best taste
 - c. Best hospitality

- d. Overall creativity & atmosphere
- 3. Make sure there are non-alcoholic drinks available, especially water to offer

Prizes:

To be determined before bar crawl
