

Dream House Brainstorming

Complete the following lists to help you with your dream house design process.

How many of the following rooms would your house have:

- Bedrooms:
- Full bathrooms:
- Half bathrooms:

Other rooms:

- ☐ Kitchenette (smaller kitchen, not on main level)
- ☐ Formal dining room
- ☐ Office
- ☐ Sunroom
- ☐ Three-season room
- ☐ Rec room
- ☐ Home gym
- ☐ Man cave/she shed

Other rooms/areas of your choosing:

-
-
-
-
-

Roughly how many square feet of space do you picture your house being?

Does the house have an exposed basement, and which direction does the front of the house face?

How many stories will the house be?

What exterior color scheme will the house have?

What interior color schemes will the house have? Think about all rooms and areas, including cabinets and woodwork.

What exterior features will the house include? (Garages attached or detached or both, porches, patios, decks, sheds, gazebos, pools, etc.)
