

Staying Informed at Kaynor Tech

Here are some resources that may help you this year:

- **How do I keep track of my assignments?**

- Students' [Google Calendar](#): all assignment from your Google Classrooms can be seen here. You can also see them in Classroom by clicking the “☰” in the upper left, and then “Calendar”, or the “📅” on the top of any “Classwork” tab of your classes.

- **How do I keep updated on events at Kaynor?**

- Students' [School Wide Classroom](#) - most of our announcements will be posted here.
- [School Public Calendar](#) - You can also open this Calendar, then click the “+ GoogleCalendar” on the lower right, and school events will automatically stay updated to your own [Google Calendar](#). More detailed instructions are [HERE](#).

- **Do I have a question about when an upcoming event, cycle change, or other item is?**

- [School Wide Classroom](#) (code = yhw7nni)
- [School Public Calendar](#)
- [Kaynor website](#)

- **Do I have a question about a sports game time/location?**

- http://ciacsports.com/site/?page_id=105

- **Do I have a question that is for a specific club or activity?**

- [Check Classroom](#)
- Check with advisor or club Classroom

Please be aware that the best way to ask a question is to email me at ken.hilliard@cttech.org.

As always, thanks for your support!

Dr. Hilliard
