

Carolyn, a rich blonde, buys a new automatic Jaguar XKR Sport.

She drives the car perfectly well during the day, but at night, the car just won't move at all.

After trying to drive the car at night for a week (but without any luck), she furiously calls the Jaguar dealers and they send

***out a
technician to her.***

***The technician examines the car and finds nothing wrong
with it.***

***So he turns to the blonde and asks: "Ma'am, are you sure
you are
using the right gears?"***

***Full of anger, the blonde replies: "You fool, you idiot, how on
earth you could ask such a question? I'm not stupid you
know!"***

***Of course I am using the right gears; I use D during the day
and N at night."***
