Ireeeeee happy birthday my dear!!! (>_<)✌ I remember that we haven't talked much last year, but since you've come back, we started writing each other a lot, especially thanks to manwha xD I really like you, you're so honest and it's so nice talking to you ♥ You seem older than your actual age, and I'm always impressed by your ideas and argumentations (you're so mature despite your age??), so keep it up bby (◦_◦) I wish u an enjoyable day, with your parents and friends and a lot of chocolates (づ。•_•。)づ I hope you like the MEP we've made for you ;D
