Discussion Items and Review Time (3:00-4:30)

- 3:00-3:15--Update from H1 Squad on ethnic studies prefix research
 - At this point, IDST 37, Intro to Ethnic Studies, ironically, is the only CCSF course with a prefix issue for CSU Area F acceptance. Unlike NATV can live in Social Sciences, where it will coexist with HIST cross-listings, IDST is harder to place in a single location. On a related note, soon, for GE mapping purposes, outcomes will need to be crafted that cover the CSU Area F core competencies.

- 3:15-3:25--Update on noncredit outline/addendum hours
 - There was further discussion about the adjustments needed on noncredit outlines and DEA in order for asynchronous teaching and learning hours to be counted accurately.
- 3:25-4:00--ASEC request: compose an equity statement and pledge
 - CC members joined breakout rooms based on [squad](#) preferences to brainstorm on a shared Google Doc responses to the following: Why is equity intertwined with curriculum, and vice versa? What makes curriculum work also equity work? How can we make our curriculum work a stronger equity effort? These responses will be used toward constructing a CC equity statement.
- 4:00--Adjournment, but . . .
 - Some CC members remained to discuss to tech review work and other CC issues
