Course Description:

This is the first course where students begin to learn the fundamentals of Spanish. It stresses comprehension, pronunciation, speaking, reading, writing, and vocabulary. The course includes nouns, adjectives, and present tense as well as a study of Spanish-speaking cultures. This course also allows language learners to experience the cultural diversity of Spanish-speaking countries. Technology incorporated in this class is used to enhance language skills. The class emphasizes an interactive, proficiency-oriented approach to learning language and culture.

¡Hola y bienvenidos a la clase de español!

This course is designed as a beginning course in Spanish for those who have never studied Spanish before. However, this course also provides a thorough review and practice for those who have either studied Spanish before or who speak some or a lot of Spanish. Our text and the activities in the workbook are varied.

This highly demanding course requires daily attendance and participation along with daily homework, which must be completed by the beginning of the class period on the day it is due. This class will yield tremendous results in comprehension, reading, grammar structures, vocabulary, and the ability to communicate. It is important to show up to class every day prepared, attentive, and willing to participate. This course is proficiency-oriented and encourages speaking, participation, interaction, and discussion in Spanish as much as possible. The cultural content of each chapter and lessons provides an opportunity for students to become more knowledgeable about the diverse Spanish-speaking world, including communities in the United States. By engaging with the readings, videos, audio content, voice recordings, and course projects, students will improve skills in the areas of reading, writing, speaking, and listening

comprehension; acquire new vocabulary; and gain confidence and accuracy when using Spanish. This course will train students to be efficient and flexible language-learners.

This course is conducted in Spanish and is a student-centered course. The class time we have every week will be devoted to practical exercises with an emphasis on communication, where students will have the opportunity to practice what they have worked on outside of class and what we learn in class. Activities in class will include work with your instructor, with partners, in small groups or whole class practice.

Students are expected to communicate only in Spanish while in the classroom. It's ok to make mistakes when speaking! Mistakes are expected as a natural and necessary part of any language learning process.

MOST IMPORTANTLY, HAVE FUN LEARNING AND ENJOY YOUR TIME IN THIS CLASS!!!

E-Hall Pass:

Students are allowed four student initiated e-hall passes throughout an entire school day. Should students wish to use an e-hall pass in class, they must adhere to the following guidelines:

1. Wait until after the first 5 minutes of class
2. Request permission from the teacher

Abuse of passes can result in an elimination of passes all together for that individual.

PARTICIPATION:

Regular attendance is required and extremely important to your success in this course as this is where we put into practice what you are learning. You are expected to use Spanish to participate in all class and group activities. Students will earn a daily participation grade, based on both their attendance and their active participation in class. Being an active participant includes coming to class prepared, being attentive, listening to your peers and instructor, reading, demonstrating motivation for learning, cooperating in activities, volunteering, helping others, inquiring, writing, acting...and of course, speaking Spanish as much as possible. Students are expected to speak and experiment with the language, take risks, and learn from each other using Spanish only. If there is ever a word (which will happen often), that you do not know, use *circumlocution*. *Circumlocution* is a roundabout way of speaking; the use of more words than necessary to express an idea. It also includes the use of vocabulary and words one already knows to make one's point. *Tardiness or leaving early without discussing this with me will lower your participation grade.*

SHS Tardy Policy:

A tardy is a failure by a student to be in his/her classroom when the tardy bell rings. Tardy students should report directly to class. Teachers will record tardies on Infinite Campus. If students are seen loitering in the school without a pass, they will be escorted to their assigned classroom by school personnel. The consequences for tardies will be as follows:

- Tardy 1-2: Teacher warning
- Tardy 3: Five-minute detention with teacher with communication sent to the parent/guardian
- Tardy 5-7: Lunch detention for the fifth through seventh tardy
- Students with 8 or more tardies will receive consequences consistent with insubordination.

Detentions will be served with the teacher to allow time for the student to attain any information missed due to the tardy. Date and time of the detention will be set at the teacher's discretion. The teacher will

record each tardy from five and beyond on the designated tardy sheet. Each class will be viewed independently; students who have multiple detentions from multiple teachers have the responsibility to communicate with those teachers to make up a detention time. Failure to serve detention with the designated teacher may result in a consequence of willful disobedience/insubordination and an automatic lunch detention will be assigned. The tardy count for students' classes will reset at the end of the semester. Students who are tardy for a final exam will not be allowed to enter the class and will be required to make up their final exam during the designated make-up time.

[Extended Leave Guidelines](#)

SHS Class Period Attendance Policy

Students who fail to attend a class without a parent/guardian contact within the first 48 hours of the absence occurring will be coded as a "No Contact," or "NC" within Infinite Campus. Students who accrue 10 "No Contact" absences within a single class period during a semester are in jeopardy of losing credit for their class. Parents/guardians will receive communication from the school at three, six, and 10 days informing them of the "No Contact" absences. Once the student accrues 10 "No Contact" absences, the parent/guardian and

student will be given the following options:

- The student may stay in the course for no credit, but they will be eligible for a credit recovery course upon completion of the in-person class.

- The student can elect to transfer immediately to an initial-credit online course.

- The student may petition the loss of credit and stay in the course if the student is passing or close to passing. The petition will require communication initiated by the student and parent/guardian to the grade-level counselor. If approved by the teacher,

the student, teacher, grade-level counselor, and administration will develop an attendance plan requiring the student to attend all remaining class periods and communicate the plan to the parent/guardian. The student will only be allowed to petition one time during a semester per course.

Language Lab: Live language practice throughout this semester will consist of various exercises where you will have to record yourself speaking and answering questions, reading news articles and taking short quizzes over what was read. **The language lab will meet on SOME Fridays⁵⁶ in room 209.**

Academic Integrity and Spanish Writing

Academic Integrity is being honest and responsible with regard to your schoolwork. Most basically, it means that your work is your work, and anything that you have found somewhere else is credited to its source. Students will receive a non-negotiable “0” on any assignment in which academic integrity has been breached. You may not copy another student’s work or allow someone to copy your work. You may not use online translators to write sentences or essays. You must cite any website, book, article, etc. from which you gather information. AI, unless authorized by the instructor, is not allowed in Spanish class. Submitted work that is not your own writing will not receive credit. Additionally, I will forward your plagiarized work to the Administration of Scottsbluff High School and WNCC.

CREDIT HOURS AND OUT-OF-CLASSROOM PREPARATION

WNCC credit hour assignments comply with the Federal Credit Hour definition.

At WNCC, a semester **credit hour** is normally granted for the satisfactory completion of one 50-minute session (contact hour) of classroom instruction per week for a semester of not less than 15 weeks; two to three contact hours are required for laboratories to award a single credit hour. Other differences may occur depending on instructional delivery.

On average, for lecture courses, one credit hour requires three hours of effort on the part of the student per week – **one hour of class and two hours of out-of-class time to accomplish readings and out-of-class assignments in preparation for successful completion of the course requirements.** Some students may require more preparation time for some classes and for some classes, less time.

For a three-hour lecture course, a student should plan on a minimum of three hours a week in class and a minimum of six hours a week spent on out-of-class preparation.

ACADEMIC INTEGRITY

Academic integrity forms a fundamental bond of trust between colleagues, peers, teachers, and students, and it underlies all genuine learning. At WNCC, there is no tolerance for plagiarism or academic dishonesty in **any** form, including unacknowledged "borrowing" of proprietary material, copying answers or papers, using crib sheets, unauthorized help during exams, altering tests, or passing off someone else's work as one's own.

A breach of ethics or act of dishonesty can result in:

- failure of a paper or an exam within a course (instructor level)
- failure of an entire course (institutional level)
- suspension or expulsion from the college (institutional level)

Any form of academic dishonesty represents a grave breach of personal integrity and of the rules governing WNCC's community of learners. **Academic dishonesty includes, but is not limited to:**

- cheating in any form
- plagiarizing in any form
- aiding someone else in cheating or plagiarizing

ATTENDANCE POLICY

WNCC expects students to attend all classes. Successful students attend class regularly, come to each class prepared, and engage in class activities. Students who are repeatedly tardy or absent from class will be missing vital information necessary for their success. Additional information about WNCC's Absence from Class Policy can be found in Institutional Guideline (IG) – 520 located on the WNCC Web site.

EQUAL ACCESS

Western Nebraska Community College seeks to make all programs and services, including electronic and information technology, accessible to people with disabilities. In this spirit, and in accordance with the provisions of Sections 504 and 508 of the Rehabilitation Act and the Americans with Disabilities Act (ADA), WNCC provides students, faculty, staff, and visitors with reasonable accommodations to ensure equal access to the programs and activities of the college. For assistance or further information, students with disabilities should contact the Counseling Director (and disability officer) at (308) 635-6090. Helpful information is also available in the *“Transition Guide for Students with Disabilities”* on the WNCC Web site under Disability Services.

TITLE IX STATEMENT

Title IX of the Education Amendments of 1972 prohibits discrimination on the basis of sex in any educational institution that receives federal funding. WNCC strictly prohibits any form of sexual harassment, which includes sexual harassment, sexual assault, dating violence, domestic violence, and stalking. All reported incidents will be thoroughly investigated and those found responsible dealt with as necessary, whether criminally charged or handled through the College’s sexual harassment grievance and investigation procedure. College policy also prohibits retaliation against a person for reporting sexual harassment or participating in the investigation or resolution of such a complaint. Help and support are available for any student who experiences any form of sexual harassment.

Questions or concerns about a student’s rights, the resources available, or to file a Title IX complaint, should contact the College’s Title IX Coordinator at 308.635.6105. More information about reporting options and resources at WNCC and the community are available at wncc.edu/about-wncc/consumer-information.

If a student wishes to speak to someone confidentially, they should contact the Counseling Director at the WNCC Counseling Center on the Scottsbluff campus or by calling 308.635.6090. Appointments are available at all WNCC locations.

DISCRIMINATION, HARASSMENT, AND RETALIATION

WNCC is committed to providing a college environment free from harassment, discrimination, and retaliation, and all students, employees, volunteers, and visitors are prohibited from participating in any harassment, discrimination, or retaliation based on any protected class status.

If a student feels that he or she is the victim of discrimination, harassment, or retaliation, it is important to remember that there are supportive people at WNCC who are resources for discussing and helping to clarify what constitutes discrimination, harassment, or retaliation and the action steps that can be taken. The College has established both formal and informal procedures to report complaints.

Students should not wait to report conduct of concern until harassment becomes sufficiently serious (i.e., severe, pervasive, or persistent) to create a hostile environment. Off-campus harassment, misconduct, or violence that creates a hostile environment on campus should be brought to the attention of the College.

To file a complaint or get help, students should seek assistance through WNCC’s Institutional Civil Rights Officer and Title IX Coordinator (308-635-6105). More complete information about the reporting process can be found in the WNCC *Student Handbook*.

STUDENT CODE OF CONDUCT

As an educational institution of higher education, WNCC seeks to provide the best educational environment for its students, faculty, and staff. It is mindful that academic freedom is an essential element of college life. The purpose of the Student Code of Conduct is to help ensure a safe and educationally productive environment for students, employees, and visitors. Conduct that adversely affects a student's responsible membership in the academic community shall result in appropriate disciplinary action.

Please see the *Student Handbook* (www.wncc.edu/student-life/student-handbook) for a complete copy of the WNCC Student Code of Conduct.

BASIC NEEDS SECURITY

Students who believe their academic performance is being negatively impacted due to difficulty accessing sufficient food or finding a safe and stable place to live are encouraged to contact the Dean of Students' office at 308-635-6123. This office will put students in contact with community partners who may be able to aid in these areas.

AUDIO/VISUAL RECORDINGS

Except where a student is entitled to make an audio or video recording of class lectures and discussions as an educational accommodation determined through the student's interactive process with college disability services, a student may not record lectures or classroom discussions unless written permission from the class instructor has been obtained and all students in the class as well as guest speakers have been informed that audio/video recording may occur.

A student granted permission to record may use the recording only for his or her own study and may not publish or post the recording on YouTube or any other medium or venue without the instructor's explicit written authorization.
