Gauge: 22 stitches and 30 rows = 4 inches

in stockinette in the round on larger needles

How much: 3.5 skeins = 959.0 yards (876.9 meters), 350 grams

Notes

After I made this sweater, the dyer of the yarn I used posted comments on social media which are not in agreement with my values. I can not recommend them.

HOWEVER.

If you would like a pink that is very similar, from a dyer with excellent values, I recommend [Haute Pink from Knitted Wit](#).

Notions that aren't yarn/needles:

- [Heart Stitch markers](#)
- [sweater project bag](#)
