WeirdAnt: The Biggest Degenerate I've Ever Met

Precautions

LAST UPDATED: 6/07/2026

Hello hello! Thank you for taking time out of your day to look at this document. Before showing what I'm about to discuss, I would like to provide trigger warnings for the following:

- Grooming
- Blackmail
- Sexual abuse
- Mental abuse
- Alcoholism
- Drug use
- Suicide
- Self harm

This document will have accusations backed up with evidence. The Honorable Mentions are accusations that cannot be completely backed up, but I believe are still important to mention due to other pieces of evidence. Also things that I just find very ironic.

If you are sensitive to any of these, please proceed with caution. Thank you so much once again for taking a peek. ♡

(Small) Background

WeirdAnt, otherwise known as Anthony Luis Rodriguez, Lapis, or Azure, was born on 8/14/2006. We first got together on 3/21/2024. From what I've been told by him and others, he was raised in an abusive household. He eventually dropped out of high school during late 2024 or early 2025, the reason is unclear as to why he made this decision. Additionally, he *never* told me about this. Instead, a friend of his had to tell me. He's started drinking as a way to cope with his issues about a year into our relationship. He also refuses to solve his own issues and instead resorts to weed or leeching off of

others for attention. He continues to do this despite being completely independent by living alone in New York, paying bills and working at McDonalds.

2024

WeirdAnt, otherwise known as Anthony Luis Rodriguez, Lapis, or Azure, got into a relationship with me on 3/21/2024 while I was sixteen (2/13/2008) and he was seventeen (8/14/2006). Things seemed pretty normal for a relationship until he got very controlling within a day after we started dating. For the entirety of this document, I will simply refer to him as Anthony.

3/25/2024

Anthony ran away from home. I don't clearly remember the reason, but I believe it was because he got his phone taken away by his dad. He was **extremely** obsessed with me at the time. He called me after running away, and I was highly concerned for his safety for a number of reasons. He did this without a plan, which can bring a huge number of risks for your wellbeing. Another reason being is that he was just being plain reckless. We got on a call during this situation. I barely spoke purely because I was worried and in shock from what was going on. After I hung up, I asked him: "Are you obsessed with me?" Things went downhill from there, so I had a panic attack due to how he handled the situation.

 **mel!** Today at 10:05 PM
Are you obsessed with me?

 **MI AMORRR <3** Today at 10:05 PM
Yes???

Why do u ask?.

 **mel!** Today at 10:06 PM
It.
Feels like it.
And don't get me wrong, I enjoy when you're obsessed with me to an *extent*.

 **MI AMORRR <3** Today at 10:06 PM
..
U dont... (edited)
Omg..

 **mel!** Today at 10:06 PM
I don't want you to become obsessed with me to the point where you do something genuinely dangerous.

 **MI AMORRR <3** Today at 10:07 PM
...

 **mel!** Today at 10:07 PM
That scares me.

 **MI AMORRR <3** Today at 10:08 PM
Unappreciated this whole night.
Ive done sm for u.

 **mel!** Today at 10:08 PM
..
Luis.
I appreciate you.

 **MI AMORRR <3** Today at 10:08 PM
U...

 **mel!** Today at 10:08 PM
I really do.
But.

 **MI AMORRR <3** Today at 10:09 PM
You... dont want me.

 **mel!** Today at 10:09 PM
Of course I do.
Stop saying that.

 **MI AMORRR <3** Today at 10:09 PM
Then stop fucking telling me to stop being obsessed.

 **MI AMORRR <3** Today at 10:09 PM
U said u loved how caring and affectionate i was..
Now u dont want me to...

 **mel!** Today at 10:10 PM
I.
I'm sorry.
I love when you're affectionate and caring.

 **MI AMORRR <3** Today at 10:10 PM
Uhuh.
Thats right.

 **mel!** Today at 10:10 PM
Listen to me, please.
You've seen how much I poured myself to you.
I meant every word of it.
But there's a thing where obsession can go too far and it's unhealthy. And I want the best for you.

 **MI AMORRR <3** Today at 10:11 PM
Then ur gonna keep it. And let me love u how i want.

4/1/2024

From what I can recall, I was hanging out with some friends. Anthony told me that he didn't enjoy seeing me happy with other people, which is a huge red flag. I tried my best to empathize with him and treat him with kindness, since that is what I always try my best to do for others. He wanted me to relapse into my previous toxic habits that I had healed from long ago. After that, he basically told me I did not have a right to say no.

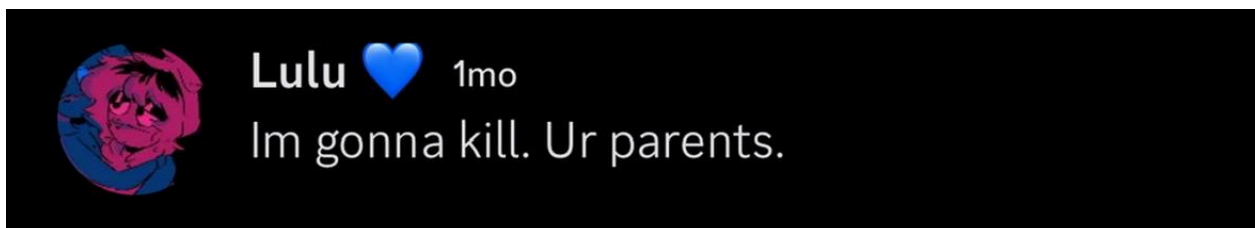

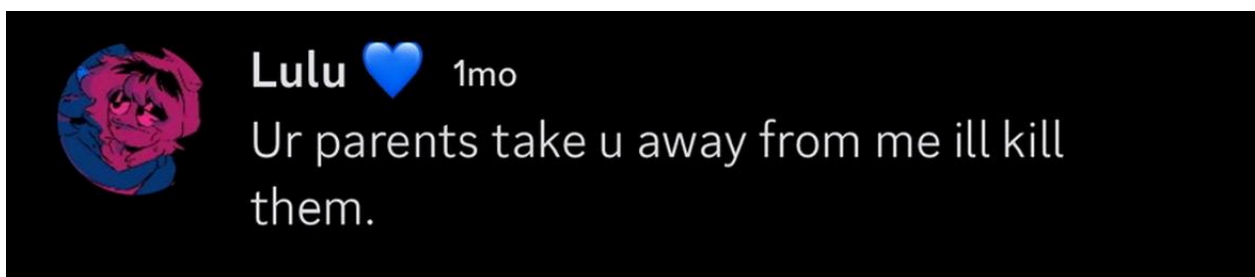

April of 2024

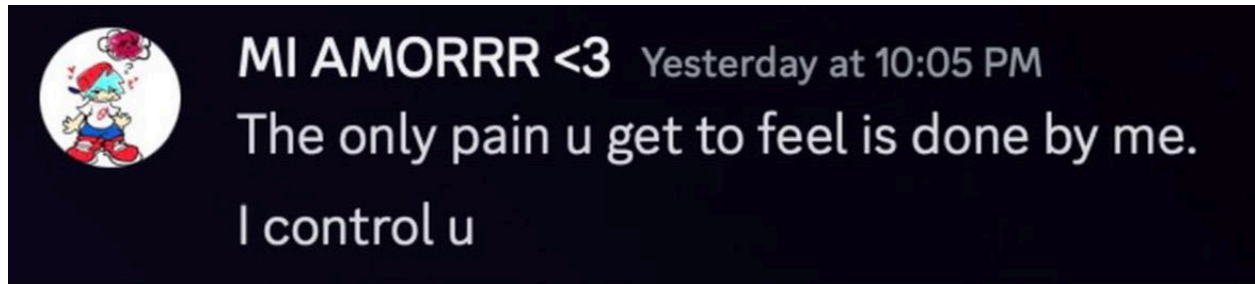

(Screenshots I could not find the exact date of)

Honestly, no amount of context could redeem this.

No comment.

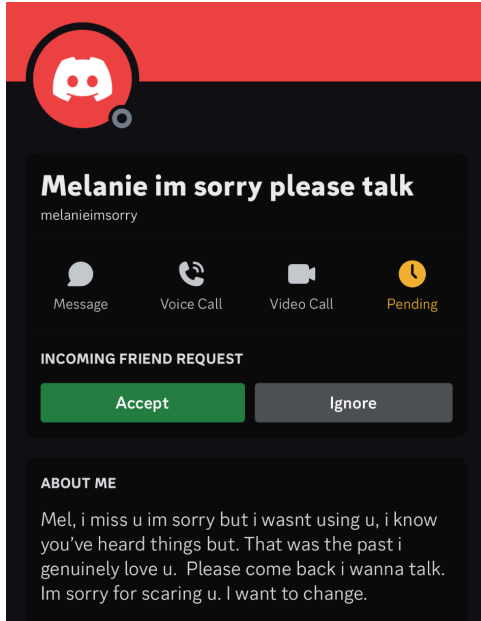

5/15/2024

This was the first time I tried breaking up with him. After sending him the paragraph, I immediately blocked him. Instead of accepting this, he proceeded to harass me by making an entirely new account to talk to me. I have NEVER been treated this way before during this time, so I had no idea how to handle it. I was still grieving our breakup as well, so this took advantage of my vulnerability in hopes that our relationship would work out.

I never thought that this would come so soon for our relationship. I loved you a lot Luis, I really did. But you have pulled so much horrible shit that has taken a MAJOR mental toll on me. Your obsessiveness, your possessiveness, your sexual coercion, your selfishness, and there's genuinely more things that I can go on about. I've given you way more chances than you deserved. I've put my mental and physical state on the edge for you and I still get constantly treated horribly. I'm sick of waiting for you to change. I'm sick of seeing and hearing "i'm sorry" and then seeing that nothing has changed. I've heard of things about you from several of your friends, and I've never felt more disgusted in my life. You don't deserve to be in a relationship, you need to better yourself instead. Please change yourself. Not for me, but for someone else. I don't feel safe with you anymore and I don't feel loved by you anymore. You abused me. You manipulated me. You traumatized me. You used me for your own pleasure and I'm sick of it.

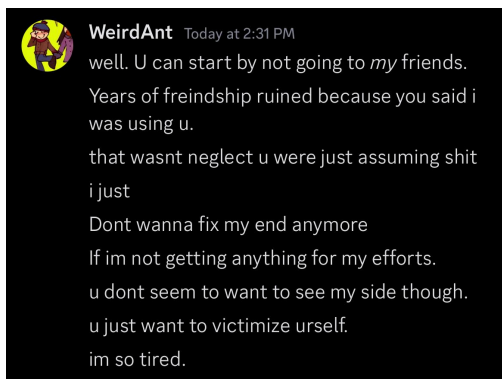

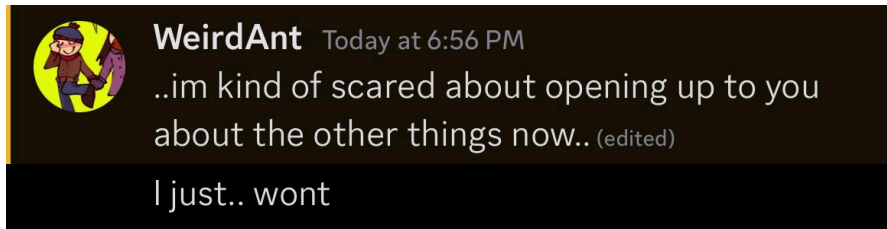

Lastly, PLEASE delete EVERY picture you have of me. I don't feel comfortable at all with you having selfies and nudes of me. I don't feel comfortable with being seen as an object. Hope you have a good rest of your life, Luis. Please be better for some other loved one and your friends.

– Mel.

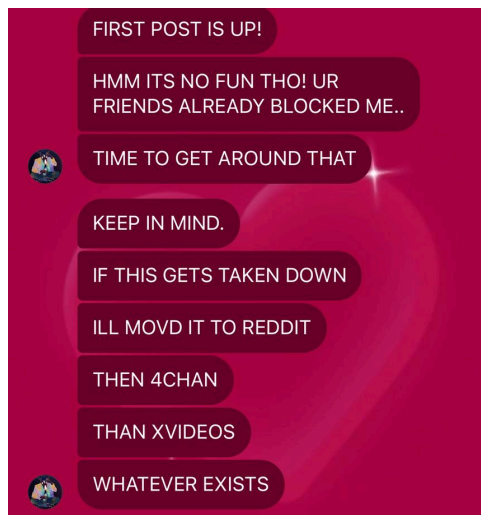

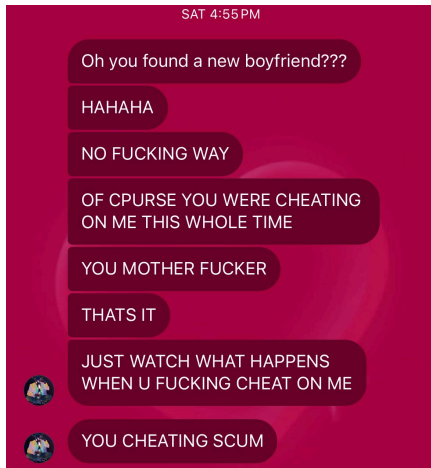

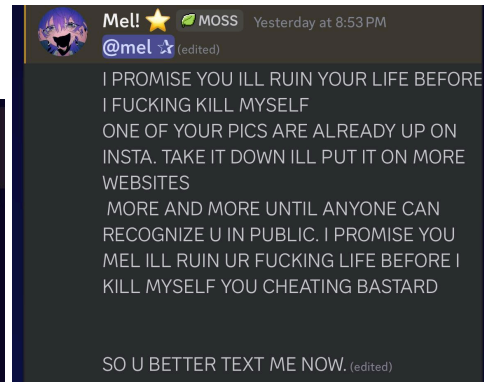

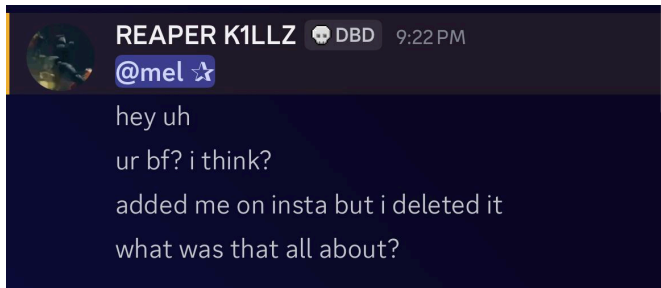

5/20/2024

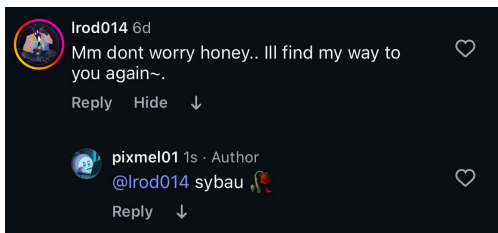

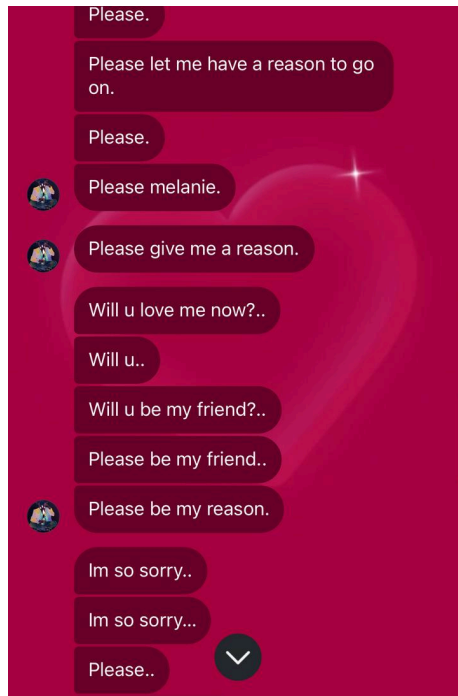

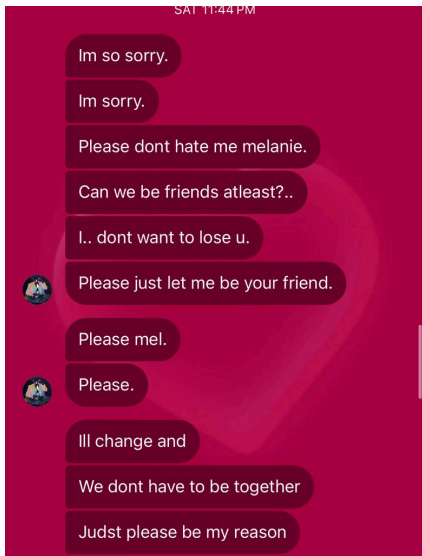

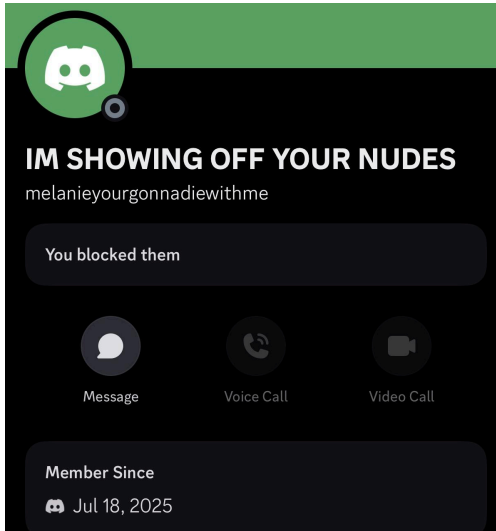

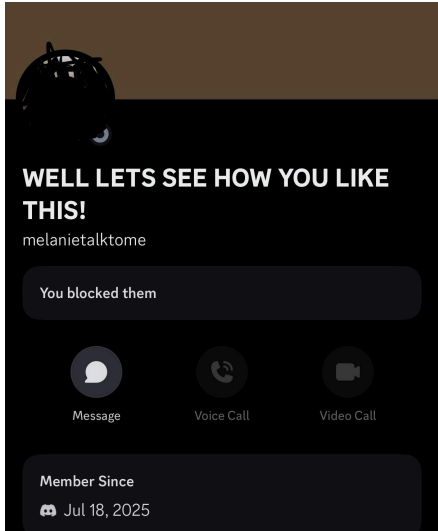

I spoke up about Anthony's abusive behavior to his friends. I did not force them to kick him out of the group, it was a collective agreement between them. According to them, he's behaved in such ways before, and they were devastated to see that he's never changed. Anthony proceeded to respond to this by blaming me for **his** actions.

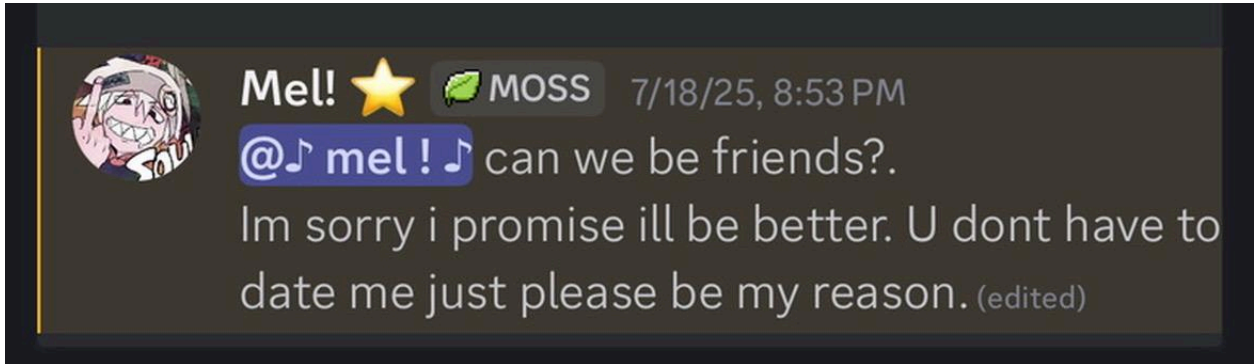

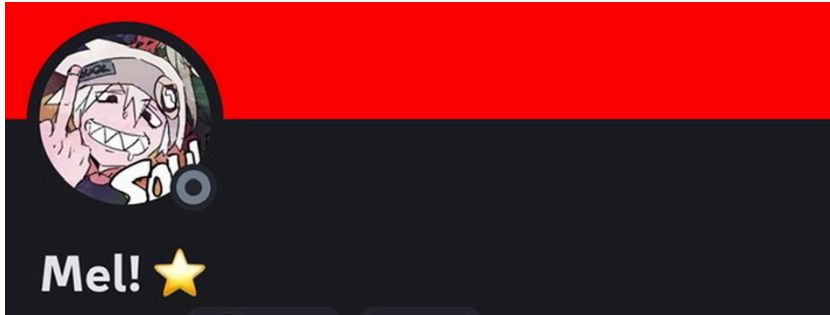

7/18/2024 to 7/20/2024

I attempted to break things off with Anthony again. As expected, he did not react well at all. He responded by attempting to leak my nudes to my friends via Instagram. He made a post of me that was partially nude, but he deleted it before I got to screenshot it. He tried to “be me” as well for some reason?? Lastly, he decided to apologize as if blackmail isn’t a serious thing.

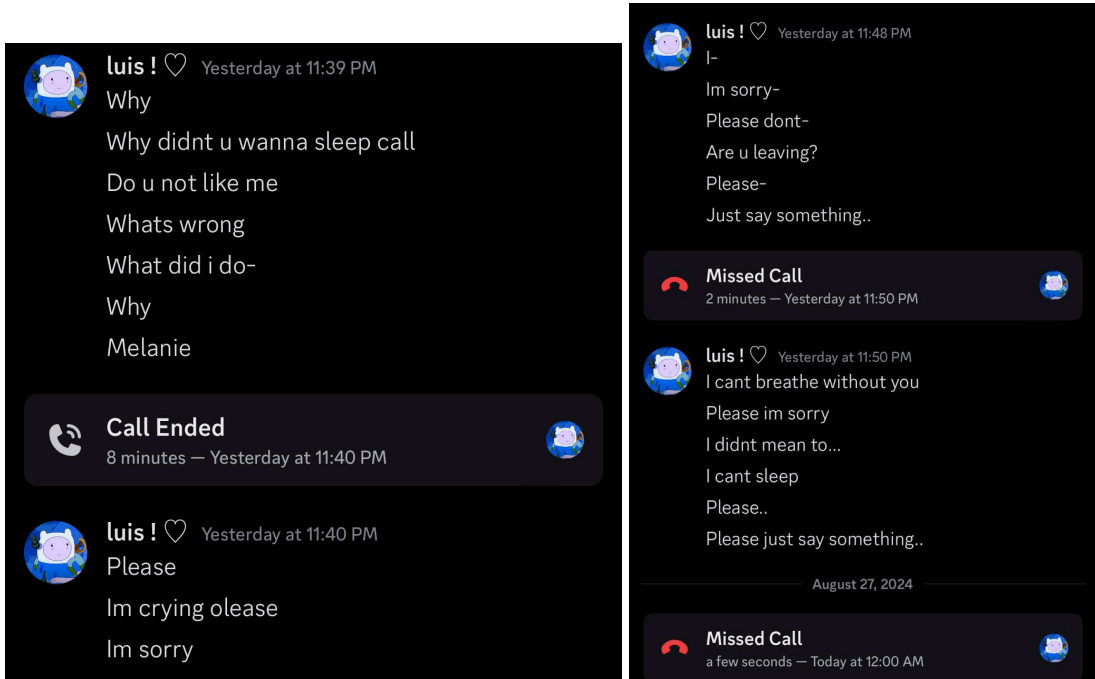

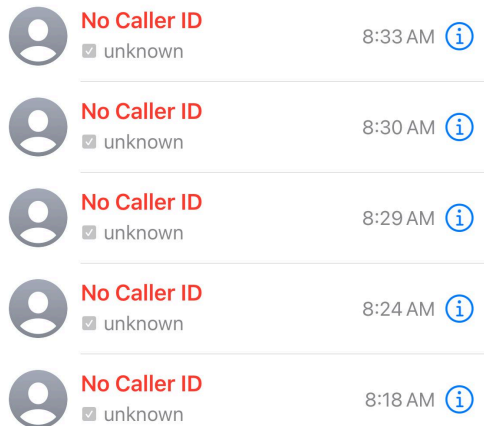

8/27/2024

Anthony asked to sleep on call with me. I said no. I don't recall the reason as to why I did, but I was either in a bad mood or simply didn't want to do that. Either way, it is still weird he was **this** attached to me over a sleep call.

November of 2024

I don't remember on what exact day this started. But it went on for a while. Personal issues occurred, and my parents attempted to intervene with our relationship. Anthony responded by harassing me on **EVERY** platform he could find me on.

Around this time, me and Anthony weren't together. He *planned* on threatening me on my birthday so we could get back together. He acted nice at first, then started the threats once I blocked the first account.

Happy Birthday Melanie, this is probably the last face you want to see and i apologize for any trouble im causing. But i want to say, I'm sorry, and I'm not here to try and date you again but i would like it if we could be friends and hopefully try and mend what Ive damaged. Ive learned and grown a little and, We don't have to live hating each-other we can still try and find some common grounds and maybe this wont leave lasting effects on us both. This is the best gift i could think of to offer.. however I understand if you don't want to accept. Have a good day. :)

If you dont answer this the next account will be blood <3
I know where you live~

Late 2025

From there to Late 2025, Anthony continued on with his manipulation tactics. I was unfortunately too naive to fully comprehend that he's completely irredeemable as a human being. Nothing much truly happened. In October 2025, I went on a hiatus from the internet for 2 months after personal issues happened. During this time, I took an immense amount of therapy after everything that happened between me and Anthony. That was when I realized that there was no hope for our relationship at all, so I blocked him immediately after returning to the internet. As expected... he reacted this way.

Kloey

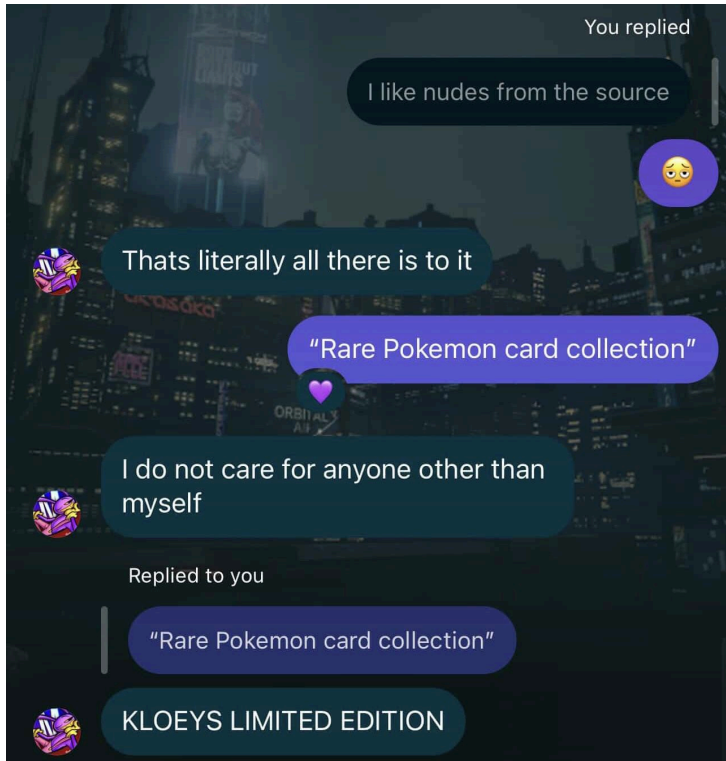

This will be an entire section due to how drastic the situation is. Kloey was Anthony's friend back in high school, I'd say around freshman to late junior(?) year, meaning that she was a minor. This detail is important for later. I unfortunately do not have any screenshots to back up this portion. He told me the entire story over call, so this is all I can remember. He told me that she had a crush on him, but he never reciprocated the

same feelings. One night, she sent him nudes and fresh pictures of self harm. He responded by calling her pathetic and other horrible things. After that, she cut off all contact with him. She deleted her number, social media accounts, and nobody ever saw her again. I don't have any official confirmation, but we can unfortunately come to the conclusion that she's most likely dead.

You would've expected him to respect her dignity, but he does the exact opposite. He proceeded to brag about having her nudes and blatantly disrespect her.

“Another Kloey incident” is insanely disrespectful. Saying this reduces her death to a simple accident. He's making it sound like she was problematic, when she really wasn't.

Please pardon me if my tone sounds slightly unserious for this, but I genuinely don't have any words that AREN'T rage for this. "I like nudes from the source"?? So you like nudes from dead people? Dead minors?? What does that even mean? Just from these screenshots alone, it feels like he only remembers her for sexual purposes, which deeply sickens me.

Rest in Peace Kloey. how could u leave me alone
Everyones selfish so whats the problem if Im selfish if u
dont like it kys

Rest in peace Kloey

To everyone I've done wrong, you deserved it i
refuse to apologize

 JollyAnt  6:27 PM

I genuinely hope next time ur mom goes to the hospital she dies
Please kys
Dont ttm again

Its ironic how he's wishing "peace" for an innocent woman who committed suicide because of HIM, and yet he's wishing the exact same fate for others.

In Anthony's words: Kloey was a sweet girl who would sit next to people and talk to them about life. From an anonymous person, Kloey gave her a cookie once. She barely got to live out life, and it breaks my heart that Anthony treated her so horribly. I am aware that I did not know her at all. But as someone who's struggled with suicidal thoughts and attempted, this sinks my heart to the deepest core imaginable. If Kloey is still out there, I hope she is healing well. If not, Rest in Peace.

Honorable Mentions

You may be wondering: Mel, why decide to publish this document now?

That's because he has shown no signs of changing. He continues to defend his horrible actions despite acting like he's sorry. He has not only treated me horribly, but is generally just a hazard to others. For this section, I will try to provide as MUCH context as I can. Please bear with me.

Allegations from Anonymous:

Edited

There was also a time where he basically used a girl who was suicidal to have esex with him before she killed herself (or allegedly so, I never heard any of this after them both having esex so i cannot confirm if shes dead)

And he tried to convince her not to do it SPECIFICALLY because he liked her body

Replied to you

i wasn't even calling ant a pedophile bc of our age gap. its bc he had CHILD PORN

YEP!! And the thing also is he kept pressing her to send

she never did

But he would use the fact he's hypersexual as an excuse

I stupidly shoved that shit under the rug when THAT should have been when I cut him off

Then again he literally opened up to me ab that when I lost like half my friend group so I just wanted to keep anyone i could

Edited

Dude was like "yeah man it sucks you lost like 10 friends... I'm using a girl for sex before she kills herself so ik how that feels" 🥺

In fact someone else he dates she deadass thought he was around her age

she's like 17 now

he fucking lied about his age to another victim I know about

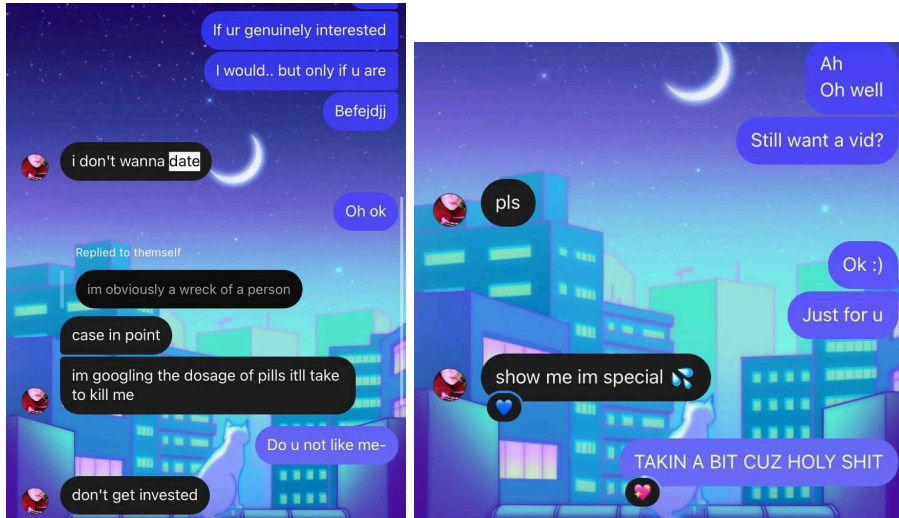

You replied

he fucking lied about his age to another victim I know about

WHAT THE FUCK

And lies to ME about his age too

Allegations from Anonymous 2:

Okay, I've never reached out because i didnt want to seem like a weirdo, but genuinely, near the end of me and ants friendship he literally was so obsessed with you, i kind of feared for your safety. He literally talked about you so much, and it genuinely got scary at times.

im so so sorry you had to deal with that creep

can i ask what exactly he'd tell you??

1:11

Okay, please ignore. You've met me before like once in VR but ignore my music. Um so, it was, I don't even remember where it was or when it was. But it was sometime last year. He made a note that he was going to make you kill yourself. And I said dude what the fuck is wrong with you? He was like if I can't have her nobody can. And I was like dude that is genuinely so fucked up. Like you're such a fucking horrible person for saying that. He's like you don't understand. I'm like obviously I don't understand. He didn't talk to me for weeks after that And then he randomly started sending me reels and everything And I was like dude I still think you're a weirdo. But it was our friendship and then quickly after that. Um and but before it ended, he told me about how your mom called the cops on him and I was like, dude, what did you do? And he wouldn't like tell me. He ignored me for like hours. And I think that is what solidified me ending our friendship.

Abusive allegations from former roommate:

if i can ask, what kind of red flags has he been showing?

its perfectly fine if you don't want to discuss it.

aggression

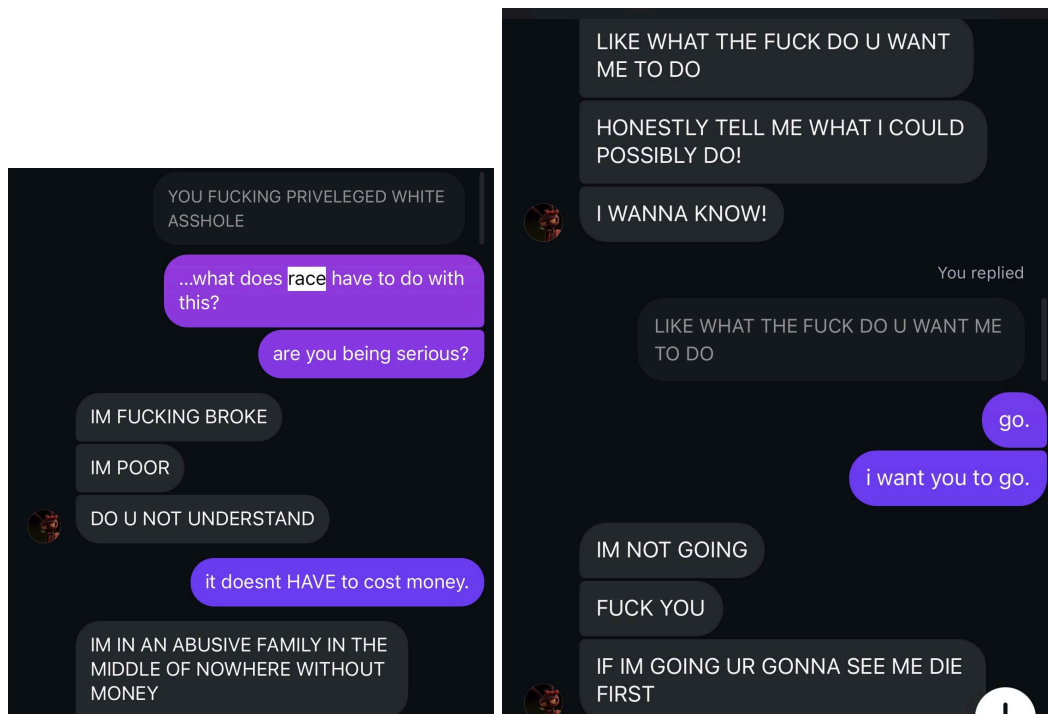

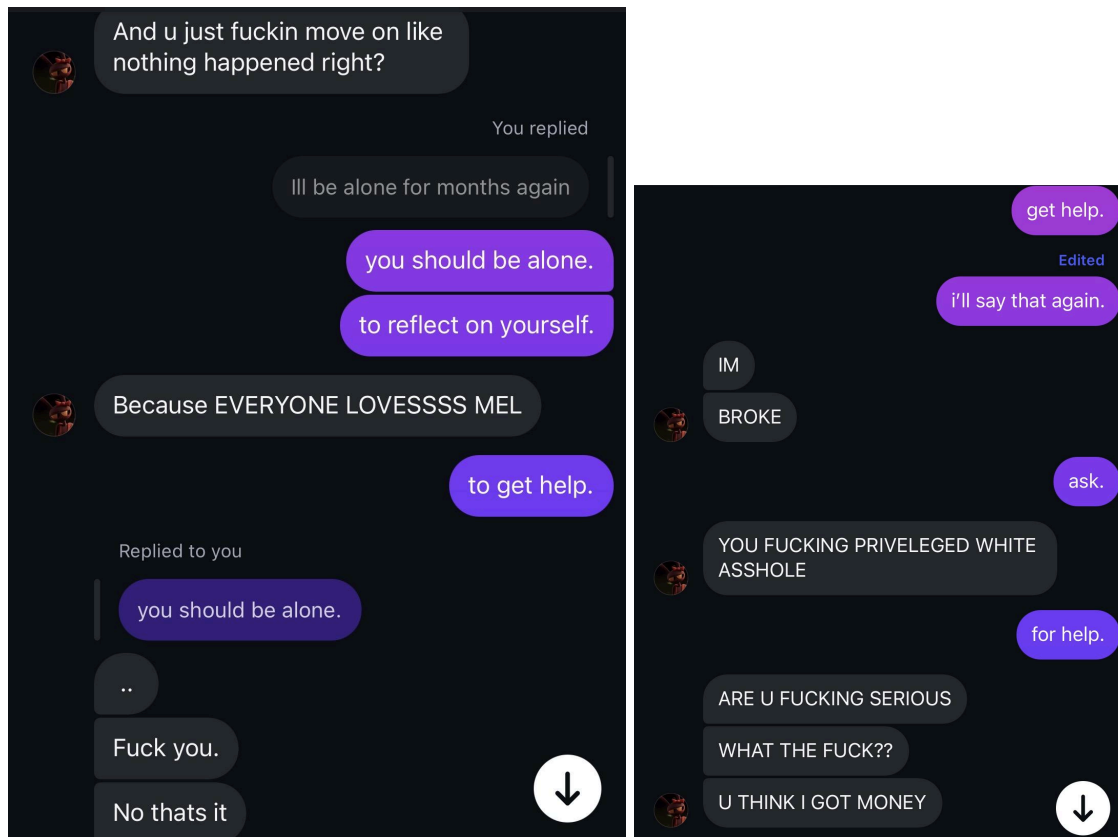

mainly

oh my god im so sorry

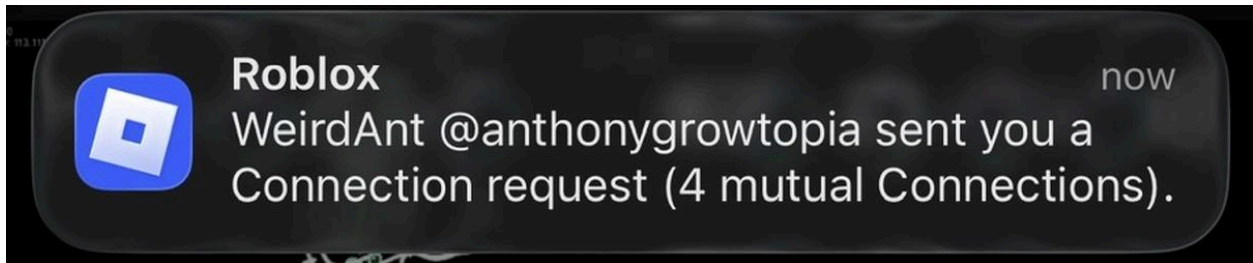

and not giving my privacy, etc

General Outrageous Things

Brought up race for some reason when I told him to help himself in various ways.

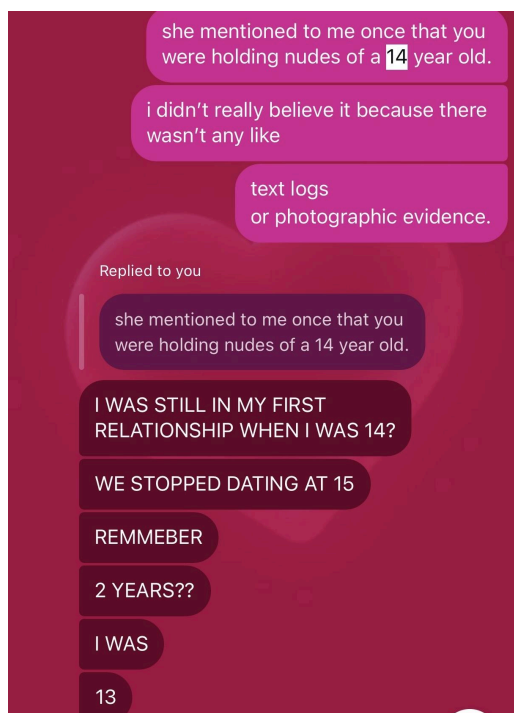

Adding me on Roblox on Valentines Day (this year)? 😭

His "homegirl" is 3 years younger, which is highly concerning considering everything I've covered. The age gap WOULD be okay with me if he wasn't a complete weirdo towards women.

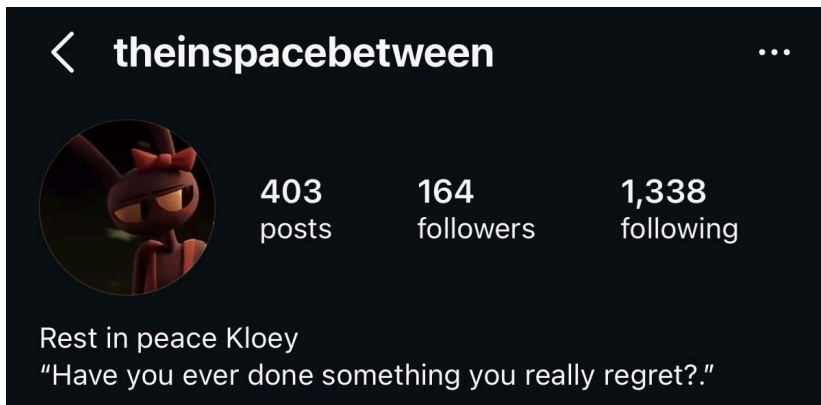

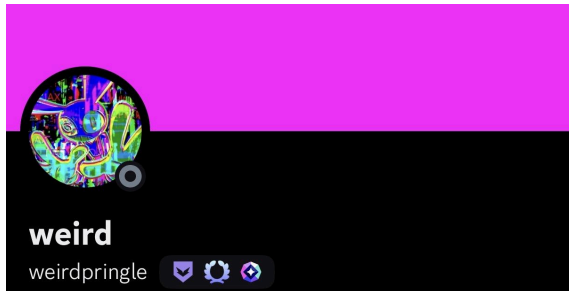

Only woman i interact with would be harper and shes like 3 years younger than me so.

Anthony was facing pedo allegations almost a year ago because of having nudes of a 14 year old. I had no idea about this until somebody brought it up to me, but they showed me no proof. I asked him about this. The reason why I am including this is because of the fact that he did not deny it. Instead, he proceeds to justify having them because they were the same age at the time. There is no excuse that you're having nudes of several minors when you're pushing 20.

Closure

I do want to mention, he's changed all of his usernames as of writing this. If you see either of these accounts, I do not recommend interacting with him. Simply block and report.

Thanks so much once more for looking at this document. It's almost 3am as of publishing this, and its my first time making a document on someone. I apologize if it's messy. If needed, more screenshots will be added. If you'd like to chat regarding this, you can contact me.
