

Mission #1 - Human Motivators

What is painful about your personal Current State?

- The lack of knowledge about finance ;
- The lack of money ;
- My current physical look ;
- The state of mind that I am in right now ;
- Not having a good network ;
- Not finding people in my town who share the same ideas as I do ;
- Not being able to sustain a relationship ;
- Being unable to make my brothers proud of me ;
- Not being able to provide for my family ;
- Not being able to fully protect my family (I've started boxing recently).

What is desirable about your personal Dream State?

- Having financial freedom ;
- Traveling the world in my free time where and when I want ;
- Helping my brothers with money so they don't have to work a single day anymore ;
- Having powerful and influential people by my side ;
- Having meaning in this chaotic world ;
- Having a 6 pack and building more muscle ;
- Improving my relationship with girls.
