

**Ph.D. in Operational Management,
Minor in Faith-Based Operational Leadership
HBI University**

Course Duration: 3 years

Credit Hours: 105

Program Description

The Doctor of Philosophy (Ph.D.) in Operational Management at HBIU University is designed to cultivate experts in optimizing business processes, improving efficiency, and developing strategic solutions for complex operational challenges. This program provides an in-depth exploration of supply chain management, logistics, process optimization, quality control, and data-driven decision-making. By integrating both theoretical research and applied methodologies, graduates will be well-equipped to lead in corporate, governmental, nonprofit, and academic settings, contributing to advancements in operational efficiency, productivity, and sustainable business practices.

The Minor in Faith-Based Operational Leadership specialization offers a unique focus on applying operational management principles within religious and nonprofit organizations. This specialization examines topics such as ethical leadership, resource stewardship, crisis management in faith-based institutions, and strategic planning for ministry and nonprofit operations. With the increasing need for structured management within faith-driven organizations, this minor equips

students with the skills to enhance organizational effectiveness while upholding values of integrity, service, and ethical leadership

Admissions Requirements
