Deadline: September 25th, 2026 11:59 EDT

About the project:

Reincarnation Revelation will be a partially voice acted visual novel that follows Princess Madeline La Rouge, the villainess of the romance game “Mythic Heartbeat”.

The visual novel serves as my senior capstone project for my final college semester.

All roles are unpaid, volunteer roles.

You must be 18 years or older to audition for this project.

Gently, with sincerity	I've always seen you. I mean, how could I not? You were... everything to me.
Panicked and desperate	No, w-wait! Please, you have to understand. These children need this program! You can't just take it away from them!
Eerily calm, then rising in anger	Do you think I don't know what's going on here? Do you think I'm just going to sit by while you dismantle everything that has been built over these years? I won't let you do that!

Straightforward and no-nonsense. Highly perceptive and intelligent, but mostly stays quiet and easygoing when it comes to Madeline.

Tone	Line
Calmly, teasing	Your Highness, as much as I indulge in your antics, I must ask you to please wake up.
Out of breath, worried & regretful	Princess—! Madeline... are you alright? I... I'm sorry. I wasn't fast enough.
Harsh, venomous	I suggest you direct your malice elsewhere. While I've no doubt your status in society, that is no way to address Her Royal Highness.

Tone	Line
Saving face	What he <i>means</i> to say is that we are ever grateful for your attendance tonight. Thank you so much for coming!
Romantically	Madeline may be my fiance but you... You are Moonlight. You are radiance incarnate. I am awed to even be in your presence and I can only hope to become something more.
Frustrated	I just don’t understand you! I never have. And with whatever happened tonight, I don’t think I ever will.

Surprised, slightly teasing	Don’t tell me... You’ve never had a drink before? Oh, well we can’t have that, can we?
Soft & gentle	I know. You don’t have to say anything anymore. I love you, too.
Cheeky, then surprised, then tender	I told you that I’d help out didn’t I— woah! (<i>laughs</i>) If I had known a small gesture would get me <i>this</i> ... Well, I would’ve done this a long time ago.

Tone	Line
Sarcastically	My word. You sure are a wonderful piece of work, aren't you?
Ranting, rising in anger	You had <i>everything</i> handed to you! Your status, your castle, your fucking frills, all of it was given to you. I had to work for where I am. I wasn't just— No, you're wrong! <i>Enough!</i>
Trying to stay calm, then flustered	This is for you. You said you liked this right...? Did I get it wrong? (<i>a beat</i>) W-What? Don't smile at me like that, idiot!
