

Hey Serge,

While signing up for your Photography Toolbox, I noticed that I did not receive a pop-up for it when I was scrolling through your site. I think this is a great opportunity for you to seize so that you can introduce more website visitors to your Photography Toolbox.

Example below. 📌

Apart from that, I have some ideas on how you can convince more people to enrol in the Fine Art Academy by utilizing the email newsletter they just signed up for.

I suggest we have a quick 12-minute chat to discuss it further. Do you have any time for that soon?

Best regards,  
Jesse
