

Privacy Policy for To Do Lists & Habit Tracker

Last Updated: August 11, 2026

We operate the "To Do Lists & Habit Tracker" mobile application (hereinafter referred to as the "Service"). This page informs you of our policies regarding the collection, use, and disclosure of personal data when you use our Service and the choices you have associated with that data.

1. Information Collection and Use

We collect several different types of information for various purposes to provide and improve our Service to you.

Types of Data Collected

- **Personal Data:** While using our Service, we may ask you to provide us with certain personally identifiable information that can be used to contact or identify you ("Personal Data"). This may include, but is not limited to, your email address (if using account authentication features), first name, last name, cookies, and usage data.
- **Usage Data:** We may also collect information on how the Service is accessed and used ("Usage Data"). This may include information such as your device's Internet Protocol address (IP address), operating system version, device identifiers, app performance diagnostics, and page views.
- **Local Database Storage:** All tasks, habit progress logs, schedules, and custom settings you input into the application are stored locally on your device using a Room database, keeping your data private.

2. Use of Data

We use the collected data for various purposes:

- To provide and maintain our Service
- To notify you about changes or updates to our Service
- To trigger local notifications and reminders
- To monitor app performance and diagnose crashes
- To provide customer support

3. Third-Party Service Providers

We leverage Google Play Services and Firebase services (such as Firebase Auth and Firebase Analytics) to facilitate authentication, app performance monitoring, and analytics. These third-party services collect information governed by their respective Privacy Policies:

- **Google Play Services Privacy Policy:** <https://policies.google.com/privacy>
- **Firebase Privacy Policy:** <https://firebase.google.com/support/privacy>

4. Security of Data

The security of your data is important to us. We store your data locally using Android's standard secure database guidelines. While we strive to use commercially acceptable means to protect your Personal Data, we cannot guarantee its absolute security.

5. Children's Privacy

Our Service does not address anyone under the age of 13 ("Children"). We do not knowingly collect personally identifiable information from anyone under the age of 13.
