Queen Creek Virtual Academy

Queen Creek Unified School District

24937 S. Sossaman, Queen Creek, AZ 85142 | (480)-987-5564 | qcva@qcusd.org

Who is eligible for a district device?

- **Students in grades 9–12** may request a district-issued Chromebook if needed.
- **Students in grades K–8** will **not** be issued a district device and must provide their own computer for online learning.

How do I request a device?

Please review the **QCUSD Device Handbook**. You will also need to sign the QCUSD Device User Agreement, which requires both the student's and parent/guardian's signatures. Copies of the agreement will be available to sign when you pick up your device.

When can we pick up a device?

Students beginning the 2026–2027 school year may pick up their school-issued device on **Wednesday, July 8, or Thursday, July 9**, from **8:00 a.m. to 3:00 p.m.**

LOCATION:

Newell Barney College Prep
24937 S. Sossaman, Queen Creek, AZ 85142

Please stop by the **Library** to pick up your device.

Missed the device pick-up dates?

If you were unable to pick up your device during the scheduled dates, please email QCVA at qcva@qcusd.org to schedule a pickup appointment.

Pickup Location:
Newell Barney College Prep – Front Office
24937 S. Sossaman Rd.
Queen Creek, AZ 85142

Device Protection Plan (Optional but Recommended):

We encourage families to purchase the **Device Protection Plan**. The cost is **$50.00 per device, per school year**. Payment can be made through the online payment portal after your device has been picked up. https://az-queencreek.intouchreceipting.com/

Need a Device for Grades K–8:

District-issued devices are not available for QCVA students in grades K–8.
Families who need to purchase a device may find affordable refurbished Chromebooks through retailers such as Walmart.
