It is so hard to believe but we have just reached the 100th day of school. I don't think I have ever experienced a year that felt like it was flying by like this one. The Tough Tiger committee has been working hard behind the scenes getting ready for the return of this amazing event. Please see the update below and look for ways you can get involved. Sometimes routines become traditions, and I have an example of one that seems to have started at Hampden Meadows. Every morning we do announcements at 7:55. Earlier in the year I asked students to look for adults who were showing respect for learning, themselves, the environment, or others. There is a box in the lobby for students to put in nominees. Every day, we pick one or two of them and read them aloud. This practice was supposed to last a month but has taken on a life of its own! If I forget to read any, I get asked by students in the hall why I didn't! Here are some examples.

Ms. Pistey is a very kind and helpful person for math

Mrs. Canario always helps when people are upset

Miss Cardin always greets us in the hallway

Ms. Burke respects others by being in a good mood and teaching us every day

Mrs. Gorman holds the door open for us

Ms. McLaughlin welcomes all kids into the library during lunch

The custodians respect others and the environment by emptying the trash

No this is not the store formerly known as Burlington Coat Factory, it is the Hampden Meadows Lost and Found. Please have your child pick up any items that belong to them.

BARRINGTON

OLDEST AFTER PROM IN RHODE ISLAND KEEPING STUDENTS SAFE SINCE 2001

AFTERPROM

One of the most memorable BHS experiences takes place right after the Senior Prom...the AfterProm Party! AFTERPROM 2022 will be here before we know it and we need your help! This FREE all-night extravaganza, for seniors and their prom guests, is filled with amazing activities, great food, and lots of entertainment. Barrington AfterProm is completely funded by private and community donations along with extensive fundraising efforts throughout the year. We look for support from every senior class family, but we also need the support of the entire BHS community to "pay it forward" to help us celebrate the BHS class of 2022 and help to ensure Barrington AfterProm will continue for years to come. **Barrington AfterProm is not supported by BHS Student Class Dues.**

Over the past 2 years our fundraising efforts have faced tremendous challenges for us as a nonprofit. Even with these challenges we were so happy to be able to successfully celebrate the Class of 2021 with their AfterProm Party and the Class of 2020 with a 1 year reunion in June 2021!!!

The long history of this important Barrington event is a clear indication of our community's strong commitment to keeping our kids safe during a high-risk time of year and wanting to keep this long-standing tradition around for future senior students. Each year **92% or more of all seniors attend**, providing a safe alternative where our seniors WANT to go and can safely celebrate with friends and classmates.

We hope you will consider making a donation to Barrington AfterProm helping to keep this long-standing Barrington tradition alive. Thank you to those that have already donated to AfterProm 2022. **We value every contribution and welcome donations of all sizes! Many businesses offer matching donations to non-profits, please check with your employer to learn if they participate.** Visit www.barringtonafterprom.org to make a donation, thank you for your support.

Sincerely,
Barrington AfterProm 2022 Co-Chairs
Dianne Tine, Dee O'Hayre & Anne Gasbarro
