

HTML & CSS

WeCreate

Directions: Watch the video tutorials in the linked resource folder below. As you watch the video complete the same steps which I do in the video. In the end you should have a fabulous looking one page Website! We will use this file throughout the semester as a resource to build your own Web page

- **Resources**

- [Link to Resource Folder with Video Tutorials](#) **
- [Example of End Product.](#)
- If you need additional help this file has wonderful [HTML and CSS Resources](#)

- **Rubric**

Category	Possible Points	Points	Comments
