

Capstone Expression

This is the culmination of what you believe about God and what you have learned throughout your Confirmation experience. Your expression can utilize any expression (song, dance, painting, essay, poetry, video, digital art, and more). Your expression should include the teachings you believe, who you are in Jesus Christ, how you relate to God, how you plan to be part of OSLC in the coming years, how you see people who don't know Jesus, and your Confirmation verse. This worksheet will help you process your thoughts with leading and reflective questions.

Your capstone expression should take 3-7 minutes to present. If you have questions or need clarifications, please contact Deborah (deborah@oslc.com). We will gladly walk alongside you!

Name: _____

Start with choosing an expression. How do you enjoy communicating with people best? Do you have artistic talent? When you learn about your faith, what types of expressions communicate best with you?

Who are you in Jesus Christ? How does Jesus give you dignity and self-worth? What does being a son/daughter of the King mean to you? How does being in Christ change the way you see and treat other people?

How do you relate to God? We relate to God through prayer, fasting, loving his creation, and reading Scripture among ways. How and when do you speak to God? How do you listen to what God is saying to you? How does your relationship with God impact your daily decision, thoughts, and actions?

What teachings do you believe to be true? What do you believe the Bible is? And how do you view and regard it? In Confirmation, we learned about the 10 Commandments, Apostles Creed, Lord's Prayer, and the life, death, and resurrection of Jesus. What do you believe to be true about these? What do you believe about your baptism and communion?

How will you be part of OSLC in the coming years? In the community called the "church", God refines our character and helps us discover our calling in a way we can't do on our own. What's your plan for being in Christian community in the coming years? Will worship with the church be part of your life? Are there adults or mentors you intend to invite to speak truth into your life?

Choose a Confirmation verse. A Confirmation verse is one that we memorize and remember for the rest of our lives. As you begin to choose a verse, pray that God would lead you in this search. When you choose a verse, read the surrounding chapters to understand the context and ensure it confirms the message you think it's saying. Remember, this is a verse that should provide you hope, encouragement, and guidance.
