

Spring 2020 GT Training - Covid 19 Amended

Virtual Learning through Houston Area Cooperative has been set up for the following courses through May 31st. Courses are through Canvas, but with their home site, so please sign in as a new user to create an account. If you log out or leave the course before completion, you will get back in by going to <https://canvas.instructure.com/>. Credit will be added to your portfolio upon completion of the course. All courses are free for NCISD staff members.

Module 1: Nature and Needs for Teachers - <https://canvas.instructure.com/enroll/HBGNY9>

Module 1: Nature and Needs for Counselors - <https://canvas.instructure.com/enroll/69JMAM>

Module 1: Nature and Needs for Administrators -

We are working on a plan for NCISD's summer in-district 30 hour foundation in the event that we are still not having face-to-face training in July. Further information will come to you by the end of May. Please let me know if you have any questions.
