Dear BIDS Steering Group,

I am pleased to announce the formation of a working group to revise and update the code of conduct and implement new code of conduct enforcement rules.

The aims of this group are to advance an amendment to our current governance documents, to clarify our code of conduct and to formulate detailed enforcement procedures.

A current working draft of these proposed changes is available for comments/suggestions here:

Any members of the BIDS community that are interested in joining the working group, should contact the chair (Ariel Rokem, [arokem@uw.edu](mailto:arokem@uw.edu)). Other current members of the working group are Dora Hermes.

Sincerely,  
Ariel Rokem
