

Privacy Policy

Kaboom! is a very silly game, don't take it too seriously.
Share it however you want.

Kaboom! is a game developed by **Sudaka Games**, a game studio part of **Starseed Forest**.

Advertisements

Kaboom! uses **Google Admob** to generate income through their personalized ads that are displayed in the game. Google Admob collects data from their users such as coarse location, device ID and product, advertising, crash and performance data.

None of your data is collected by **Sudaka Games or **Starseed Forest**.**
