Having Fun

It's important to have fun if you want a happy and healthy life. Here are some ways people enjoy life all over the world.

Festivals

Some people think the Chinese New Year is the most important festival in China. Families clean their homes and then enjoy delicious food. Children often get money in red paper envelopes.

In Korea and Japan, Children's Day is on May 5th. Children and their parents spend the day together and go to zoos and parks. Some families fly kites.

In India, families enjoy Diwali, the festival of lights. Families light candles and decorate their homes with flowers. People give gifts, and there is dancing and music.

Sports

These men are playing an exciting game called soccer. Every four years, people watch their favorite players at the World Cup soccer championships. The team that wins the championship game is the best team in the world!

Another popular game is volleyball. People play volleyball in 211 countries. You can play volleyball inside or on the beach. The first team to reach a score of 25 is the winner.

Many people watch the summer and winter Olympic Games. Almost every country in the world sends its best athletes to race and play at these games. Some athletes swim, and others run or jump to see which athletes are the best.

Family Celebrations

When a girl turns 15 years old in Mexico, her family and friends often celebrate with food and dancing. This also happens in many parts of Central and South America.

A **wedding** is always a big celebration! In Egypt, dancers and musicians gather around the married couple and dance for up to one hour! Then people eat a special dinner.

People celebrate **family reunions** all over the world. Aunts, uncles, cousins, and grandparents come together to eat and have fun.

Community Events

Folk dance is popular around the world. In Turkey, folk dancers wear colorful costumes and dance at weddings and festivals. People like to watch folk dances, but they also like to dance themselves!

A **fair** is a great place for people to come together and have fun. Many fairs have farm animals, delicious food, fun games, and bands that play music.
