Elementary School News
December 16, 2019

Dear TCIS Community,

It's hard to believe we have come to the end of our first semester! There has been so much to celebrate this semester.

- ★ We have had **cultural celebrations** in Thai and Chinese to promote **global citizenship.**
- ★ We have had monthly **reading events** in the library to promote **independent lifelong learning.**
- ★ Our **Winter Concert and Sports Day** helped students to become **collaborative workers.**
- ★ In **reading and math** students practice being **complex thinkers** on a daily basis.
- ★ As students learn to be **good friends** as well as good students they work on becoming **effective communicators** by using kind words to problem solve.

I'd like to express my gratitude to our parents and to our teachers for making the first semester a positive one. I wish each of your a restful vacation and a peaceful and prosperous New Year.

Thank you,
Dr. Betsy
