

Hello "Status Detail"

I love How you clean your cars and explain how you do so. You are really reaching out to your audience, which is a great way to grow your channel and business. It is a great experience watching your videos.

I have visited your website and it's clean but could be polished.

Changing a few headings and some sub-text

I want to help your channel grow and help make you more money but I want to do it in a way that is comfortable for you and your team.

I have put together a free advertisement for your company to give you an idea of what you are working with
