

As you read please try to answer these questions and prepare to share your thoughts in class:

What is something interesting, strange or you're unsure about from the reading today?

What verse really stood out to you?

Was there something you read that you would like to experience in your own life?

Was there anything new or unexpected?

Where did you see Jesus in the reading either directly or indirectly?

Ask the Holy Spirit if there is anything He wants to highlight?

Anything additional you want to write down to share in class?
