The Grand Gift

Thank you for your interest in learning more about **The Grand Gift: A Birthday (or Special Occasion) Book for the TCS Library**.

This special program offers a meaningful way to celebrate your grandchild's birthday—or another important milestone—while supporting The Children's School Library. With a gift of $100 or more, you can honor your grandchild while helping provide books and resources that will be enjoyed by students for years to come.

Here's how it works:

1. Make your gift
Use **this online giving form** and **include your grandchild's name in the "Notes" section** so we can connect the gift to them. Gifts may also be made via personal check, stock, or a donor-advised fund.

2. Your grandchild selects a book
They will choose from a thoughtfully curated selection of titles aligned with their age and interests.

3. A personalized bookplate is added
Each book will include a custom bookplate featuring your grandchild's name, your name(s), and the occasion being celebrated.

4. The book joins the TCS Library
Your gift becomes part of our collection, bringing joy to students for years to come.

5. You receive a keepsake
We'll share a digital photo of your grandchild with their selected book, along with a thank-you message (cc'ing their parents).

The Grand Gift is a wonderful way to honor your grandchild while fostering a lifelong love of reading. If you have any questions or would like assistance making your gift, I would be happy to help.
