

March 10, 2025

Dear PS 81 Families,

Please join us, and our neighboring school RKA, tomorrow evening, March 11, 2025 at 6:30 pm for a virtual workshop on Project Open Arms. Project Open Arms is a NYC Public Schools initiative to support families seeking asylum and helping ensure that they receive a full range of services. The workshop will also include a "Know Your Rights" section. This workshop is presented by NICE - New Immigrant Community Empowerment. We have requested that the information is presented in both English and Spanish.
