1. Think of a successful person you would like to talk about.
This person can be from any field in life(show business;
medicine; science etc) the person could be someone from our
humankind history.

2. Your oral presentation should include the following:

***detailed background of the successful person. Refer to the following points:**

who is this person?name, age, date/place of birth, his
childhood, etc.

- what does/did he do?
- why was/is this person successful?
- how did this person get to his success?
- add any interesting facts about this person

***information about the one behind this person**

- who is he/she?
- what does/did this person do to help?
- how special is this person?

3. Use one of the following websites to built a time scale . You should integrate it in your presentation.

[LINK 1](#)

[LINK 2](#)

Use Google Maps to show locations!!

4. You should apply a template to your presentation.

Use several different slide layouts throughout your presentation (7-10 slides min).

The last slide should show the information sources you have used in your presentation.

Remember: Do not write any information on the slides. Only titles , subtitles ,photos , picture, video clips and any visual/graphic information would be presented on your slides..

5. Everything that is said by you should be written in a proper

and well structured paragraph !(100 words and up)

Use suitable connectors. You may also use as many words as possible from unit 1 page 26 . Be ready to hand it in (the writing part) on the day you present your work.

6. Make your presentation as much attractive and creative as possible. Use all kinds of effects when preparing your PPT PRESENTATION.

****You can create your PPT presentation on this amazing site [PREZI](https://prezi.com/). It will add more points to your presentation!**

7. Pay attention as to how you open your presentation and how you close it.

8. How to open your presentation: orally!- בעל פה

"Hello everyone today I would like to talk about someone specail.."

Hi! today I would like to talk about a successful person and ..."

9. How to end your presentation: orally! בעל פה

"Well , I hope you enjoyed listening to my presentation! thank you all!"

" Thank you all for listening. I hope my presentation was interesting!"

Remember!

- You should present it orally!!!
- Your presentation should be organized and clear.
- Be creative and interesting.
- You are limited in time! (3 to 5 minutes)
- Your grade will be determined by :

1) The neatness of your presentation

2) Writing Part (spelling, grammar, punctuation).

3) Meeting all the requirements for the presentation

4) Creativity & Fluency
