

Students:

The information found in the **ExcelTrack Student Handbook** has been moved to **PG Campus** on the [Traditional and Module Courses](#) page under the My Studies tab.

On that page, under **ExcelTrack Program Options**, please review the following to prepare you for your experience:

- **ExcelTrack FAQ**
- **ExcelTrack Program-Specific Information**
- **ExcelTrack Program Overview - Tutorial**

Please review the information on that page about **module courses** and **traditional courses**, too, as both of these course types are found in ExcelTrack program options.
