

CFSD Feedback Form for Curriculum Resources/Materials

Thank you for your interest in providing feedback on the resources/materials selected by teachers for use in the classroom with students. We encourage you to be as specific as possible when making constructive comments to help us address your concerns.

Directions: Please select the specific resource for which you have feedback. Write the title, author/publisher/vendor, subject and grade level on the designated lines. (Please note, if you would like to make comments on multiple resources, you will need to fill out a separate form for each item.)
