

# 2026 BSD Online Summer School Application

BSD Online Summer School will begin on June 1st. Courses will take approximately 5 weeks to complete. All summer school courses are online. The student must have access to a computer, chromebook or iPad and reliable internet access. The goal is to have all course work completed by July 3rd with July 10th being the final deadline. Individual teachers will communicate specific deadlines for each course. The cost for each one credit course is \$250; half-credit courses are \$125. For credit recovery courses, students will earn a maximum of a 65/passing in each course completed. BSD does not issue transcripts for online courses but will send a letter of completion to the school administrator or counselor upon satisfactory completion of the course(s).

In order to enroll in a summer course, students must bring or mail this completed application with a signature from their administrator and the course fee(s) to the Booneville School District, 201 N First St., Booneville, MS 38829.
