

**Continuing Medical Education (CME)/Continuing Pharmacy Education (CPE)
Front Matter Information and Disclosures**

SAEM26 Learning Objectives

As a result of participating in this activity, participants should be able to:

1. Identify patients for whom new therapies are appropriate and the resources needed to implement these therapies.
2. Describe best practices as defined by current research, with exposure to emerging evidence and innovative approaches.
3. Implement evidence-based treatment pathways in their practice environment.

SAEM26 is the annual meeting of SAEM.

Target Audience

SAEM26 educational content is developed for, but not limited to, emergency medicine healthcare professionals, including physicians, faculty, researchers, fellows, residents, medical students, pharmacists, allied healthcare providers (nurse practitioners, physician assistants), nurses, and technicians.

Accreditation and Credit Designation Statement

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the University of Cincinnati and Society for Academic Emergency Medicine. The University of Cincinnati is accredited by the ACCME to provide continuing medical education for physicians.

The University of Cincinnati designates this live activity for a maximum of 27.0 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Off-label Disclosure Statement

Faculty members are required to inform the audience when they are discussing off-label, unapproved uses of devices and drugs. Physicians should consult full prescribing information before using any product mentioned during this educational activity.

Disclaimer Statement

The opinions expressed during this live activity are those of the faculty and do not necessarily represent the views of the University of Cincinnati or Society for Academic Emergency Medicine. The information is presented for the purpose of advancing the attendees' professional development.

Continuing Pharmacy Education Information

AEMP26 Learning Objectives

At the completion of this activity, participants should be able to:

1. Discuss key updates in emergency medicine pharmacotherapy.
2. Evaluate evidence-based literature pertinent to emergency medicine pharmacotherapy.
3. Apply new pharmacotherapy pearls to emergency medicine patient cases.

AEMP26 Accreditation and Credit Designation Statement

The University of South Carolina College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This activity is eligible for ACPE credit; see final CPE [activity announcement](#) for specific details.
