

Task:

Draft a circular in Telugu informing teachers to use Khan Academy's *Revision Package* as an examination and revision tool for end of year exams.

Key Details:

1. Khan Academy is implemented in 488 model schools across all districts of Telangana for supplementing teaching and learning through SCERT designed content hosted on Khan Academy portal.
2. As part of this learning journey, annual revision packets have been designed and curated by Khan Academy and SCERT.
3. Revision Package is curated for teachers where they can assign practice exercises to students directly on Khan Academy portal.
4. The circular is to inform teachers that every student needs to log in to be able to practice the content.
5. Link to website - <https://khanacademy.org>
6. Letter to be drafted for Joint Director and addressed to Principals, DIETs and all teachers with cc to Director, Commissioner
7. The circular should contain "What", "Why" and "How" steps
8. The language and tonality should be like an official circular.
9. You can make any assumptions of steps or keep it generic as long as the circular is structurally sound.

Note: Please refrain from sharing the output created entirely on Google Translate/ChatGPT for this task.
