Mr. Derby - Thank you for Halloween goodies. Apologies for missing the event. Book fair is being promoted on morning announcements. Busy month of November/December for Mr. Derby personally. Will be out of the building for some portion of those months.

Bring 4-6 back 5 days a week is being discussed. Board meeting will have this topic on agenda. There is believed to be space to do this safely.

VIII. Open discussion

Chairs for classroom to be discussed with buildings and grounds to determine if they are safe and cleanable.

Funding requests are coming in frequently and are sometimes expensive. Work together to find creative ways to make things happen. Need to look at each request and really look at classroom specific requests. Need to try to maintain equity across the grades when possible. Need to be looking toward the future as we do not know what next year will look like. All budgets are tighter given changes in State Aid etc. If we save now, the teachers can dream bigger next year.

Stacy Hand - Thank you to Ms. Lant for all of the help for Halloween virtual event and also Ms. Rattner.

NEXT MEETING: Wednesday, January 6th @ 6:15
