

Based on the quiz you took, what are some of the things you learned about your pen pal?

Based on the quiz you took, can you tell me something you learned about: (Even if it isn't specific, can you tell me any similarities or differences mentioned in the quiz

their life at school?

their family life?

their interests or hobbies?

the geography of their town/country?

their holidays or vacation time?

their foods?

some type of pop culture?

What are your impressions of your pen pals?

Now that you received the quiz from your penpal, what questions would you like to ask them?
