Top-challenge:

- Get it all done.

Reward:

- Grab a coffee with my mom and dad. Have a piece of cake and talk.
- Have me a nice steak or something for dinner/lunch.

Notes:

- Meditating just after my morning cold shower is enough
- Speed up my mornings. Don't hassle, but do the tasks as they're the easiest and most efficient for me. First the coffee, then the push ups, then the cold shower and affirmations.
