Abstract

(Times New Roman, 10pt, Bold)

The abstract should be between two hundred and two hundred and fifty words, written in Indonesian, and formatted in italics using Times New Roman, 10-point font. The abstract must be clear, descriptive, and provide a concise overview of the research problem. It should include: the rationale for topic selection or the significance of the research topic, the research methods, the research findings, and the analysis. The abstract must conclude with a comment on the significance of the results or a brief conclusion and recommendations.

Kata Kunci: ← 10pt, Times New Roman: Keywords must consist of at least three words or phrases that serve as labels to facilitate searching and data indexing. Therefore, keywords must accurately represent the content and discussion of the research. Abbreviations used should be common and widely recognized (e.g., PUG, SOGI, ARG, GBS). Separate each keyword with a semicolon (;) and NOT a comma (,). Key improvements and rationale:

The minimum word count for qualitative research is 6000 words, and for quantitative research, it is 4000 words.

INTRODUCTION ← 12pt, Times New Roman, Bold)

The Introduction elucidates the background of the addressed problem, related issues, the research significance, the research novelty, and a review of relevant prior studies pertinent to the current research

METHODS ← 12pt, Times New Roman, Bold)

The research method contains: research design, data collection and data analysis.

RESULT AND DISCUSSION ← 12pt, Times New Roman, Bold)

The discussion of the obtained research results and findings is presented through theoretical exposition, both qualitatively and quantitatively. Experimental findings should preferably be displayed using graphical representations or tables.

CONCLUSION ← 12pt, Times New Roman, Bold)

The Conclusion must clearly indicate the findings obtained, their strengths and limitations, along with potential directions for future research

REFERENCE ← 12pt, Times New Roman, Bold (References have to use Mendeley or Zotero with APA Style – Bibliography should use reference management such as Mendeley or Zotero with APA 7th Edition style)
