901 COMMUNITY EDUCATION

I. PURPOSE

The purpose of this policy is to convey to employees and to the general public the important role of community education within the charter school.

II. GENERAL STATEMENT OF POLICY

The charter school board affirms a strong commitment to the community education program. The charter school board welcomes and strongly encourages the use of school buildings and activity areas by the community when they are not used for regularly scheduled secondary programs. The charter school staff should strive to accomplish the following objectives:

A. Maximum use should be made of charter school facilities within the charter school service area.

B. Educational needs and interests of area residents should be determined periodically.

C. Community resources and expertise of residents should be utilized to develop a vibrant, well-rounded community education program.

D. Area residents should be encouraged to actively participate in program opportunities.
