THANK YOU FOR TAKING TIME TO TELL US A LITTLE MORE ABOUT YOURSELF

please write a few paragraphs with these questions in mind:

Why do you want to attend this program?

Can you give us a brief history of the way your soul has guided you through major transitions in your life?

Is there anything else important that would be helpful for us to know about you?

We are choosing to offer a Conscious Commerce practice that allows for those that have resources to give generously and those that have less the capacity to share in this rich experience. As group guides we are giving much time and our soulful experience as a gift of reciprocity.

COST: \$250.00 registration with application (covers the actual cost of this program)

Requested price is \$500 or more to cover facilitation, planning and program logistics.

SEND a payment of \$250.00 with your registration (includes a \$35 non-refundable registration fee)

***We'll get back to you with a final acceptance and more information about securing your place after we receive your registration.**

pay by Venmo (ckortsch@gmail.com)
